

**Ralph
Waldo
Emerson**

As there is no screen or ceiling between our heads and the infinite heavens, so there is no bar or wall in the soul, where man, the effect, ceases, and God, the cause, begins. The walls are taken away. We lie open on one side to the deeps of spiritual nature, to the attributes of God.

**To see a World
in a grain of sand
and a Heaven in a
Wildflower...**

William Blake

**The heavens are yours,
the earth also is yours;
the world and
all that is in it –
You have founded them.**

Ps. 89.11

**Do I not fill
heaven and earth,
says the Lord.**

Jer. 23.24

The soul is the perceiver and revealer of truth. We know the truth when we see it, let skeptic and scoffer say what they choose.

Ralph Waldo Emerson

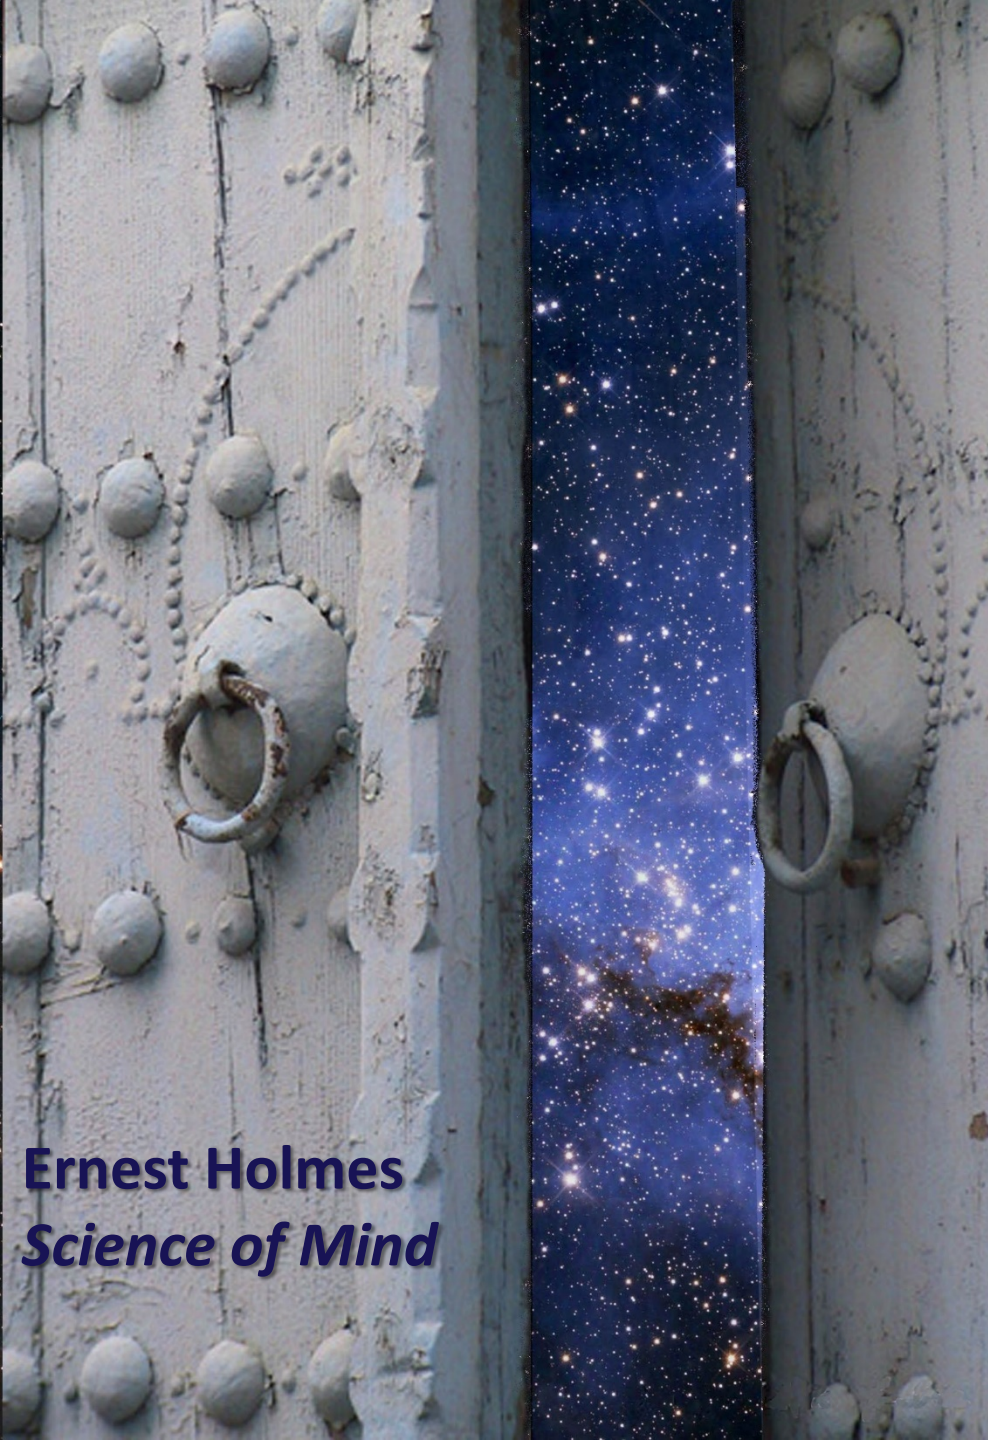

**What is seen
is made from things
that are not visible.**

Heb. 11.3

**We fix our eyes not on
what is seen but on what
is unseen, since what is
seen is temporary, but
what is unseen is eternal.**

2 Cor. 4.18

Faith knows
that the universe
is a Spiritual System,
that man is part of this
system. It knows that man's
environment is also part of
this System. Because the
system is perfect, the
condition may become
perfect, and would
be perfect if it
were *known* to be so.

Ernest Holmes
Science of Mind

**...God, who gives life
to the dead and
calls into existence the
things that do not exist.**

Rom. 4.17

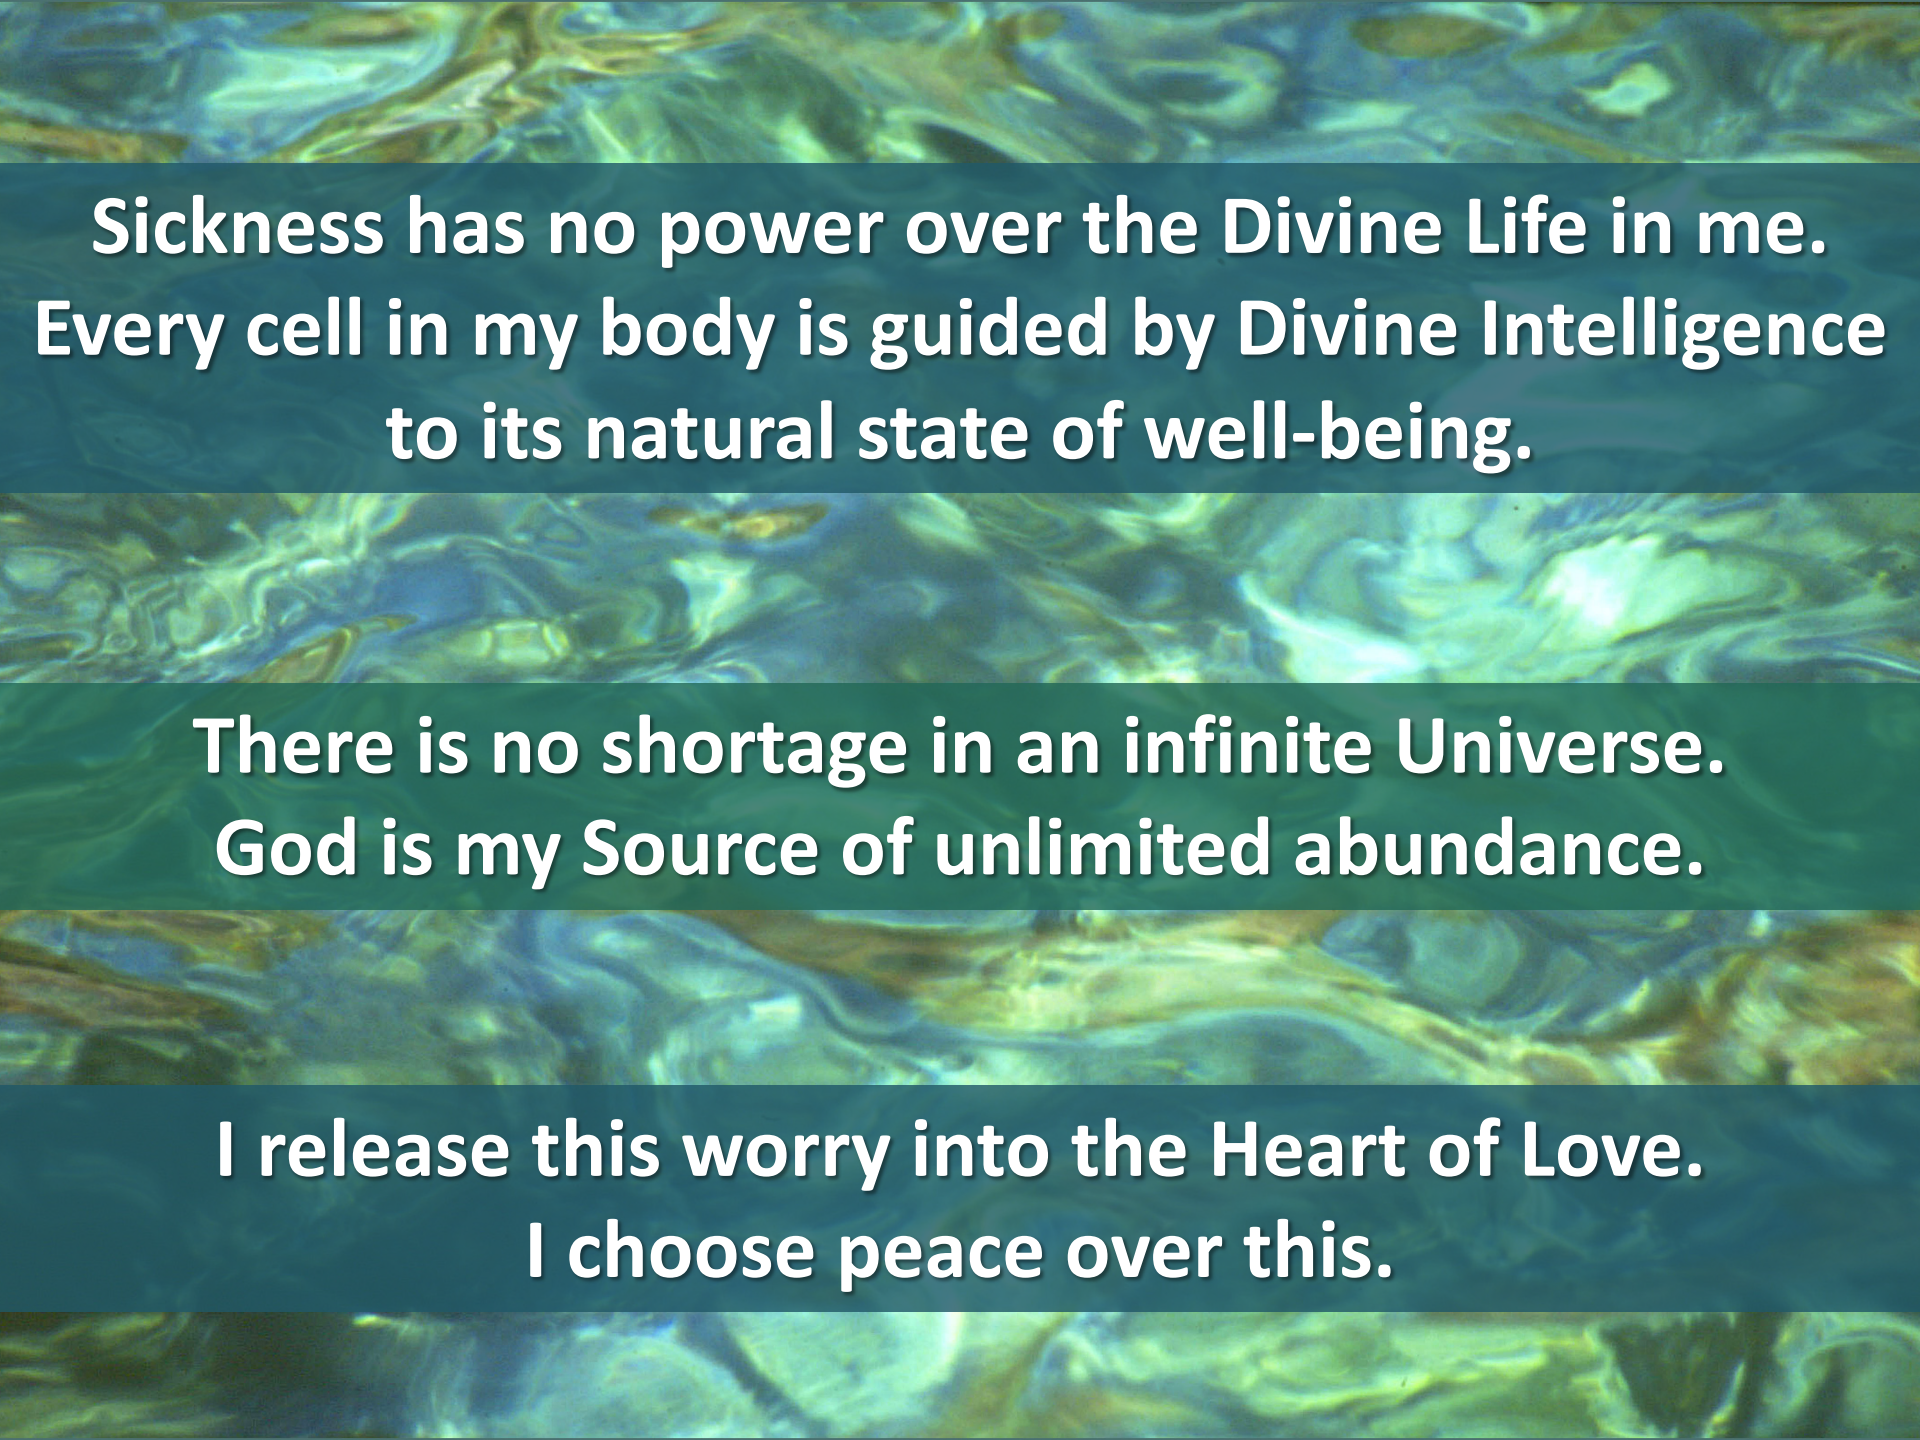

**So shall my word be
that goes out
from my mouth;
it shall not return
to me empty,
but it shall accomplish
that which I purpose,
and succeed in the thing
for which I sent it.**

Is. 55.11

**For with the measure you use,
it will be measured back to you.**

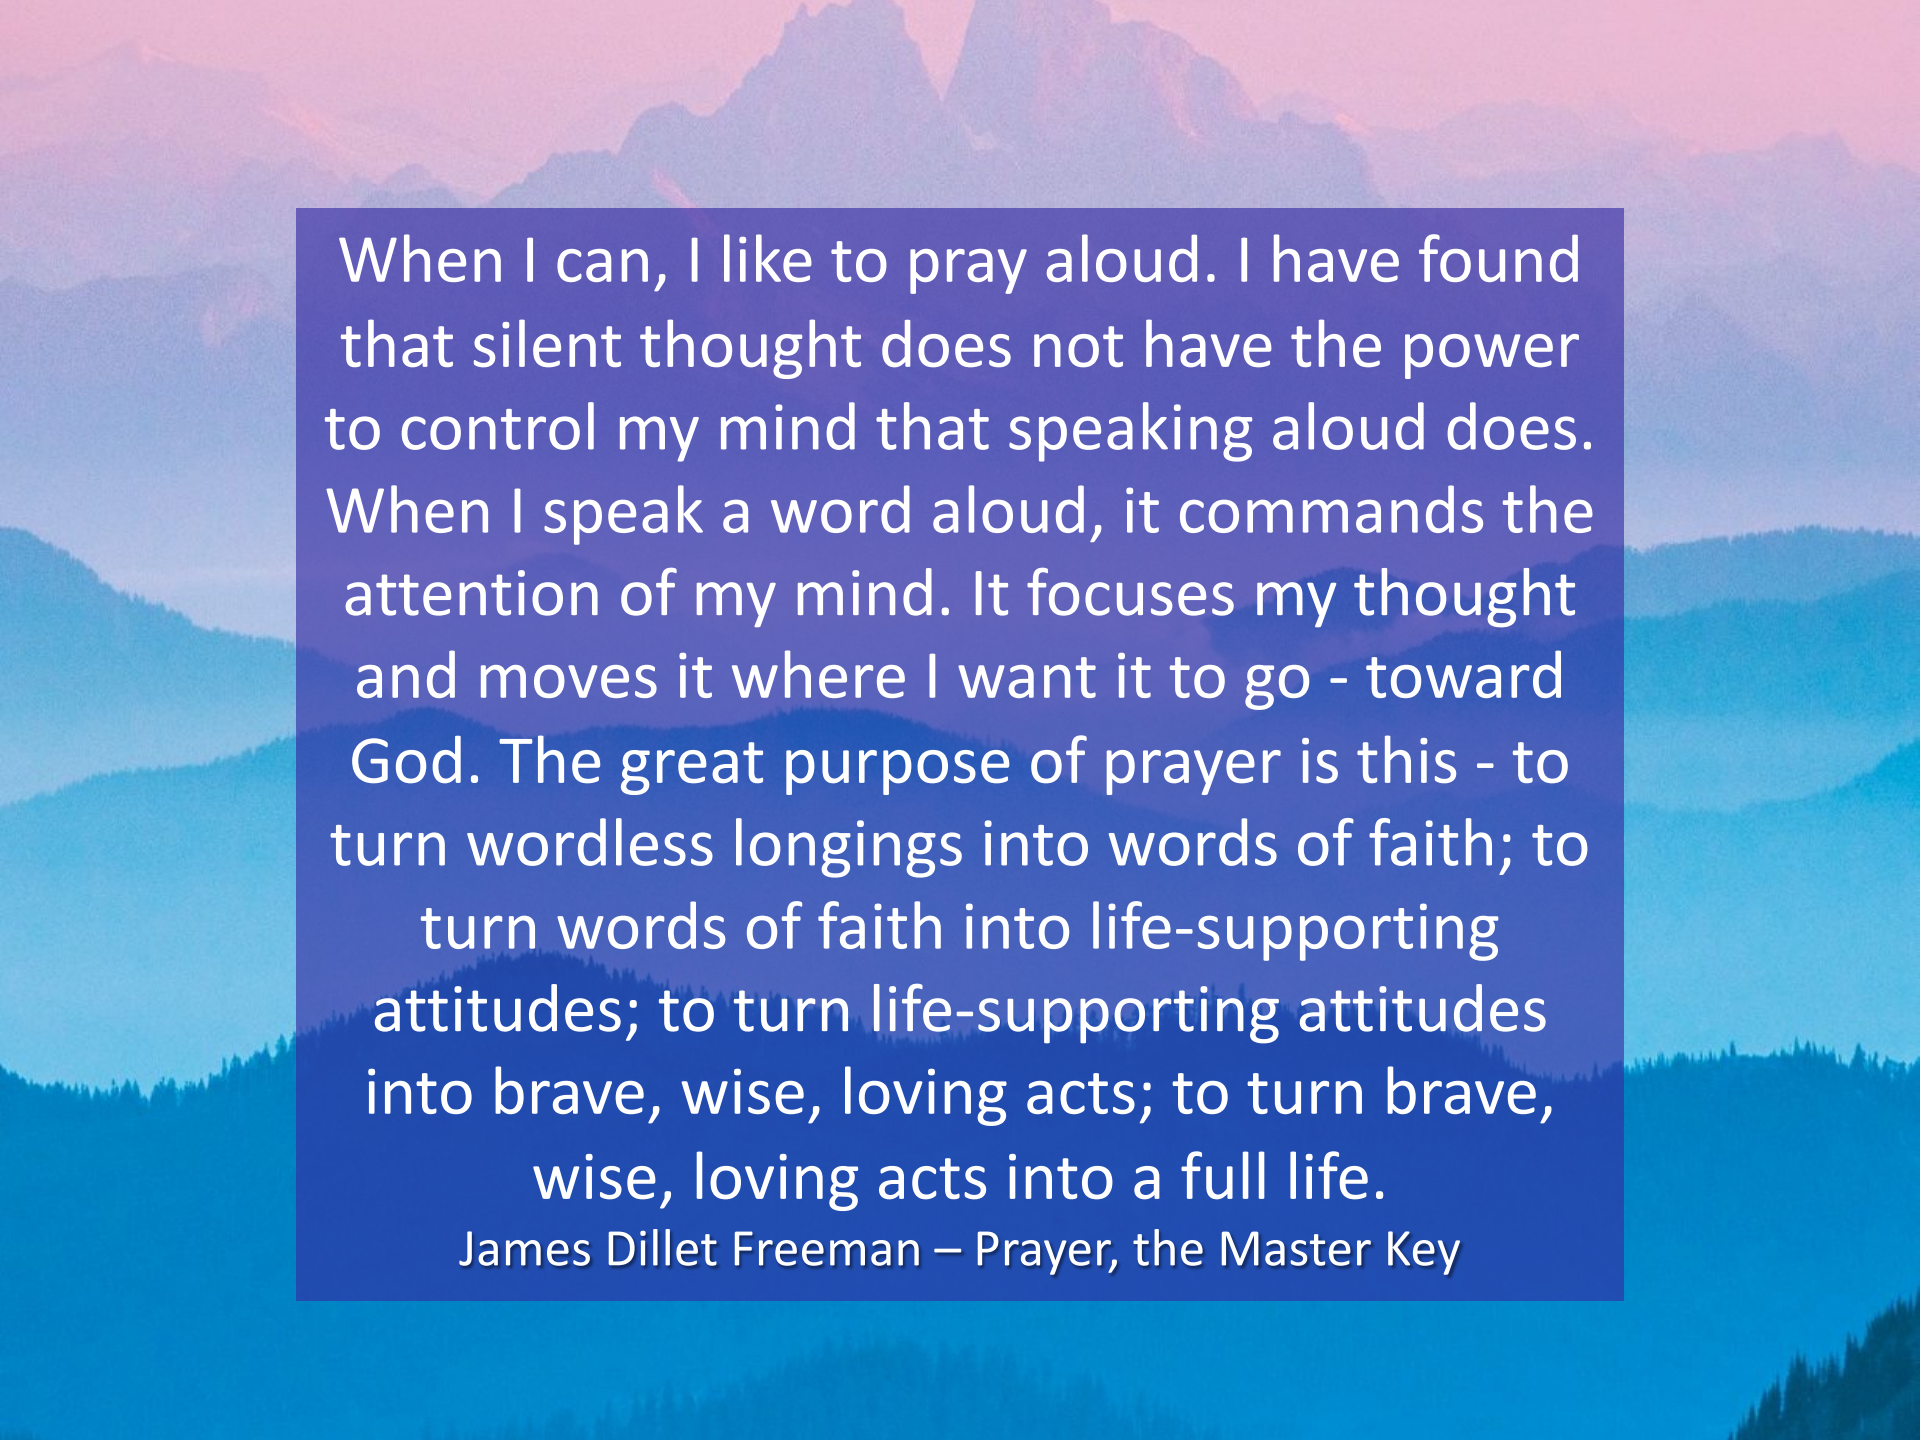

Luke 6.38

**Sickness has no power over the Divine Life in me.
Every cell in my body is guided by Divine Intelligence
to its natural state of well-being.**

**There is no shortage in an infinite Universe.
God is my Source of unlimited abundance.**

**I release this worry into the Heart of Love.
I choose peace over this.**

When I can, I like to pray aloud. I have found that silent thought does not have the power to control my mind that speaking aloud does. When I speak a word aloud, it commands the attention of my mind. It focuses my thought and moves it where I want it to go - toward God. The great purpose of prayer is this - to turn wordless longings into words of faith; to turn words of faith into life-supporting attitudes; to turn life-supporting attitudes into brave, wise, loving acts; to turn brave, wise, loving acts into a full life.

James Dillet Freeman – Prayer, the Master Key

**What I see
in my heart
and say
with my words,
I set free
in the world!**
