

A Loving Heart

**Love is the basis of everything...the
glorious truth of truths that lives and
breathes at the core of everything that
exists or ever will exist.**

A Loving Heart

Love is an inner quality that sees good everywhere and in everybody. It insists that all is good, and by refusing to see anything but good it causes that quality finally to appear uppermost in itself and in all things. Divine love will bring your own to you, adjust all misunderstandings and make your life and affairs happy, harmonious and free.

Charles Fillmore – *The Revealing Word*

Within each individual's atomic field is the Permanent Atom of Universal Love, the One that will trigger a self-sustaining chain reaction to produce a total transformation of the individual, and ultimately the entire collective consciousness.

John Randolph Price – *A Spiritual Philosophy for the New World*

Love is the total and complete acceptance of what is. Love allows. Allowing yourself to be who and what you are and allowing the same right to all others.

John Payne – *Omni Reveals...*

I
live
and move
and have my
Being as Love.
