I Am Here

# **UNITY'S 1<sup>st</sup> PRINCIPLE**

**There is only one Presence  
and one Power  
in the Universe and in my life,  
the all-loving goodness of God.**

# **UNITY'S 2<sup>nd</sup> PRINCIPLE**

**We are each individual, eternal expressions of God and therefore, inherently good.**

Therefore, just as one man's trespass led to condemnation for all, so one man's act of righteousness leads to justification and life for all.

- Rom. 5.18

The mind of humankind is like a clear stream that flows from some lofty mountain. It has nothing at its point of origin to corrupt or distort it, but as it flows out into the plain of experience, it meets the obstruction of doubt and fear. It is here that dams are built and the course is turned in many ways.

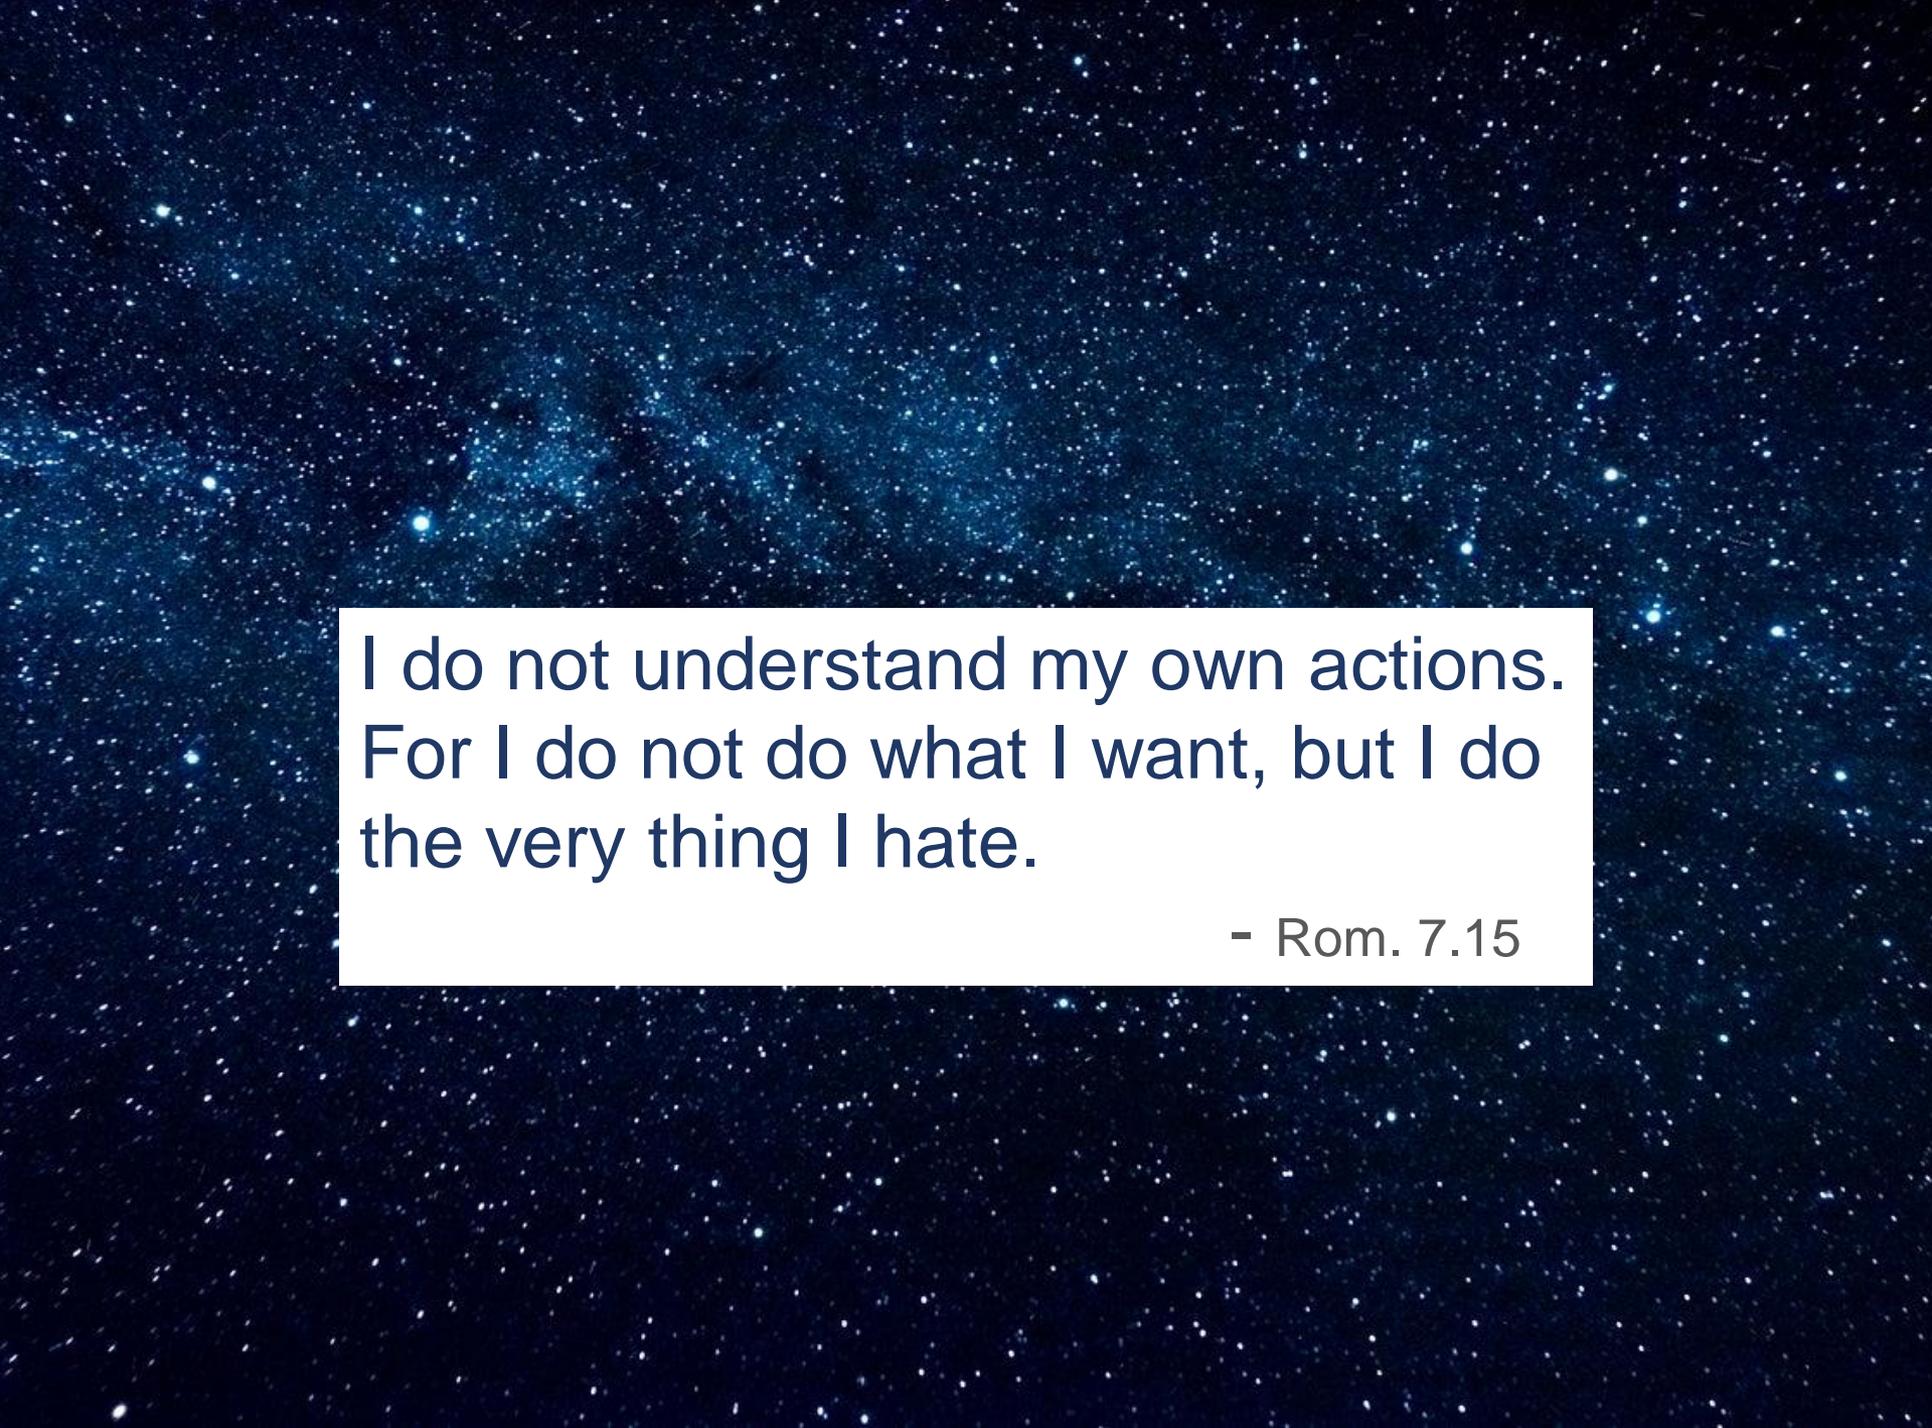

- Charles Fillmore

You are an extension of Non-physical Source Energy, and you have come here with great eagerness and purpose. You intended to explore Earth's perfect balance of contrast for the purpose of moving life beyond what it has been before.

- Esther Hicks – *Ask and It Is Given*

# **UNITY'S 2<sup>nd</sup> PRINCIPLE**

**We are each individual, eternal expressions of God and therefore, inherently good.**

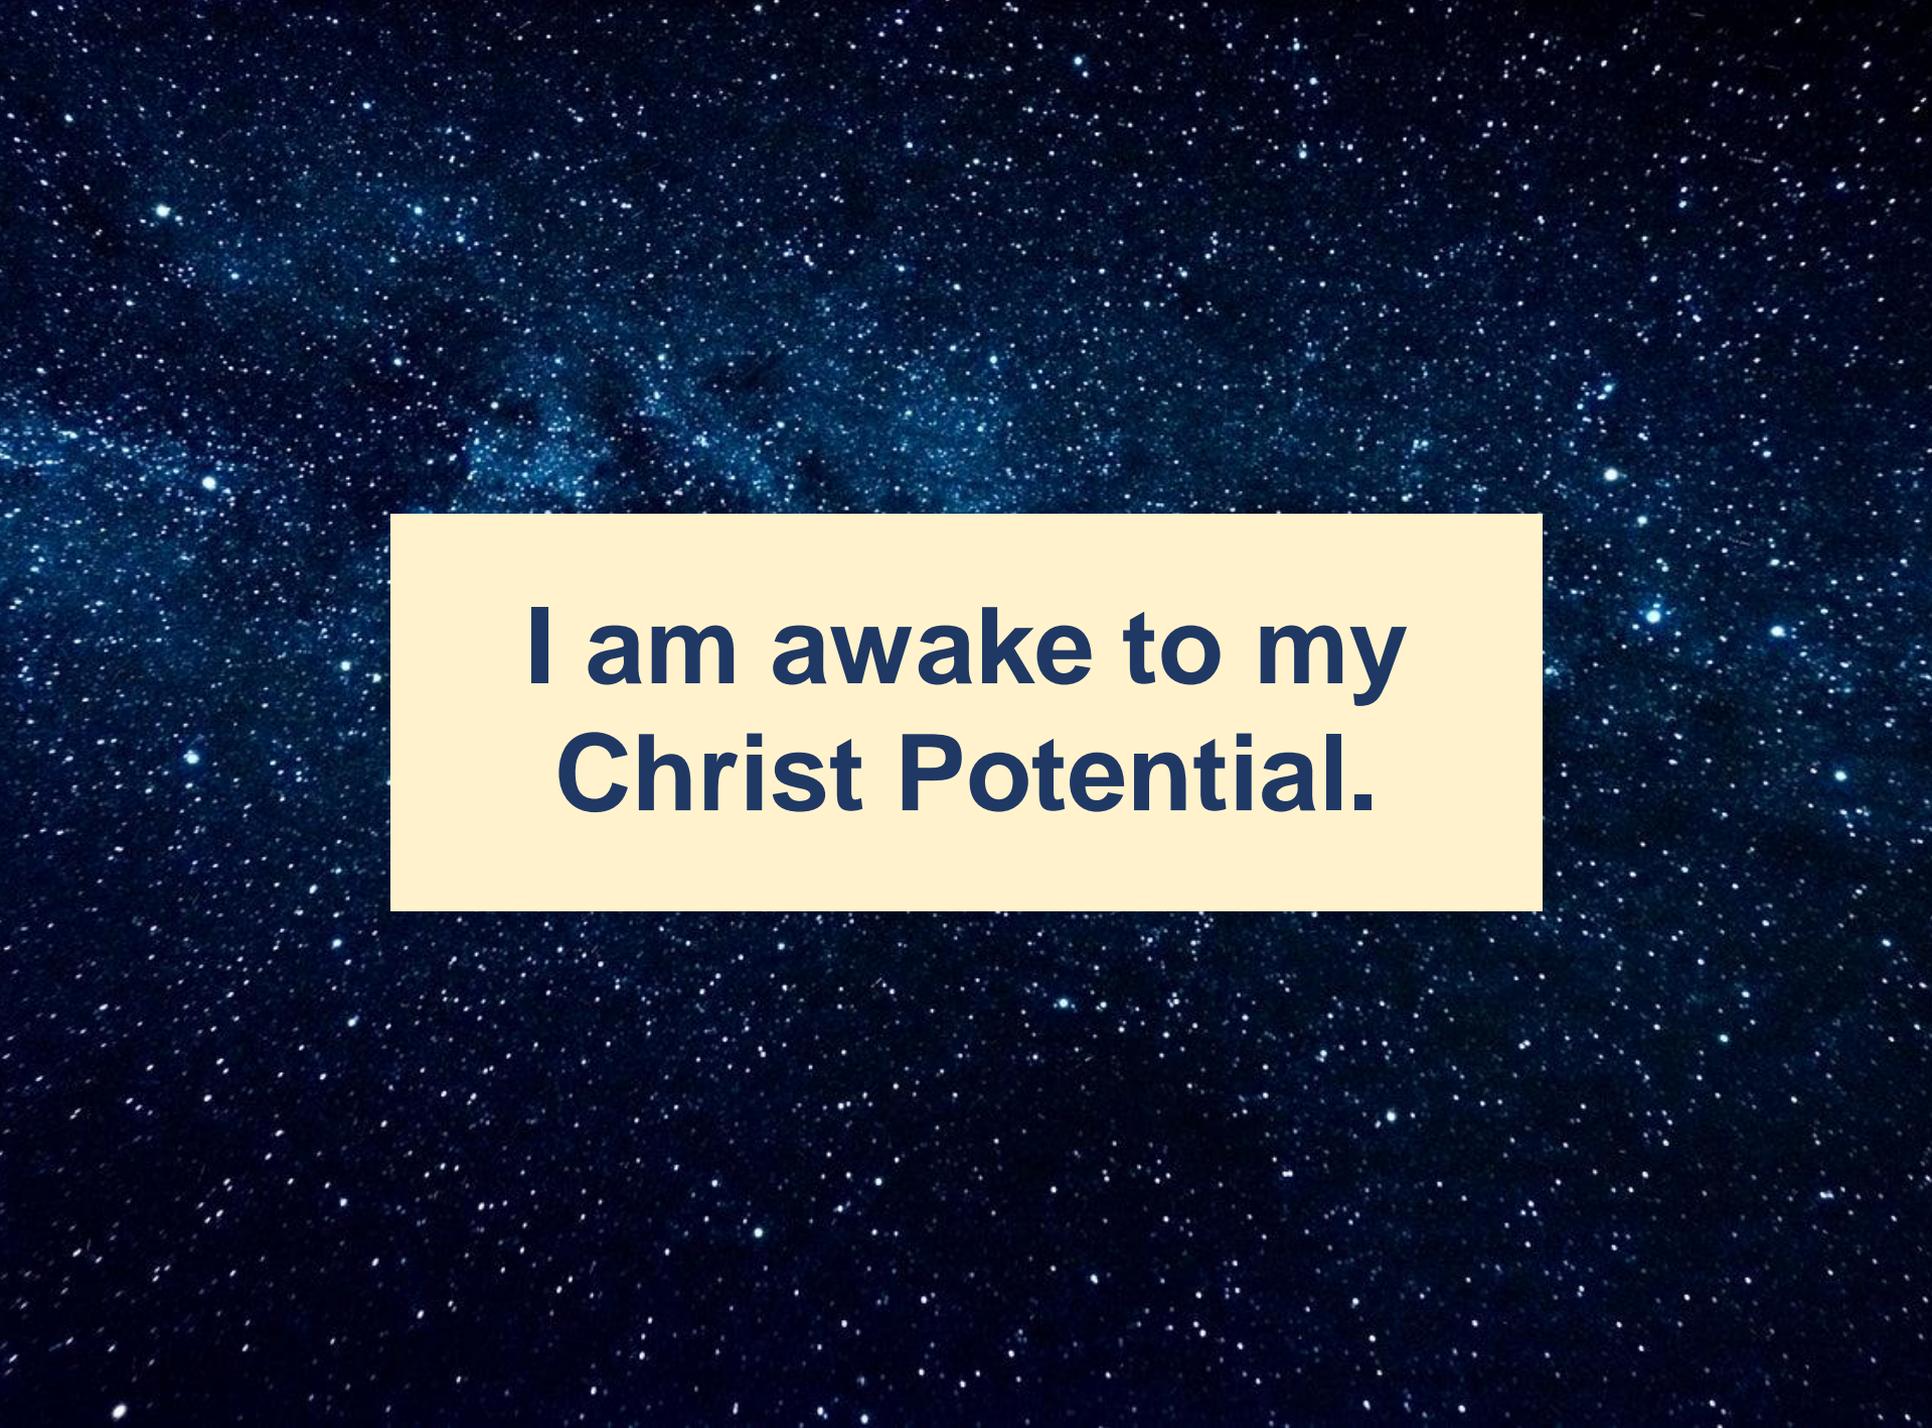

I do not understand my own actions.  
For I do not do what I want, but I do  
the very thing I hate.

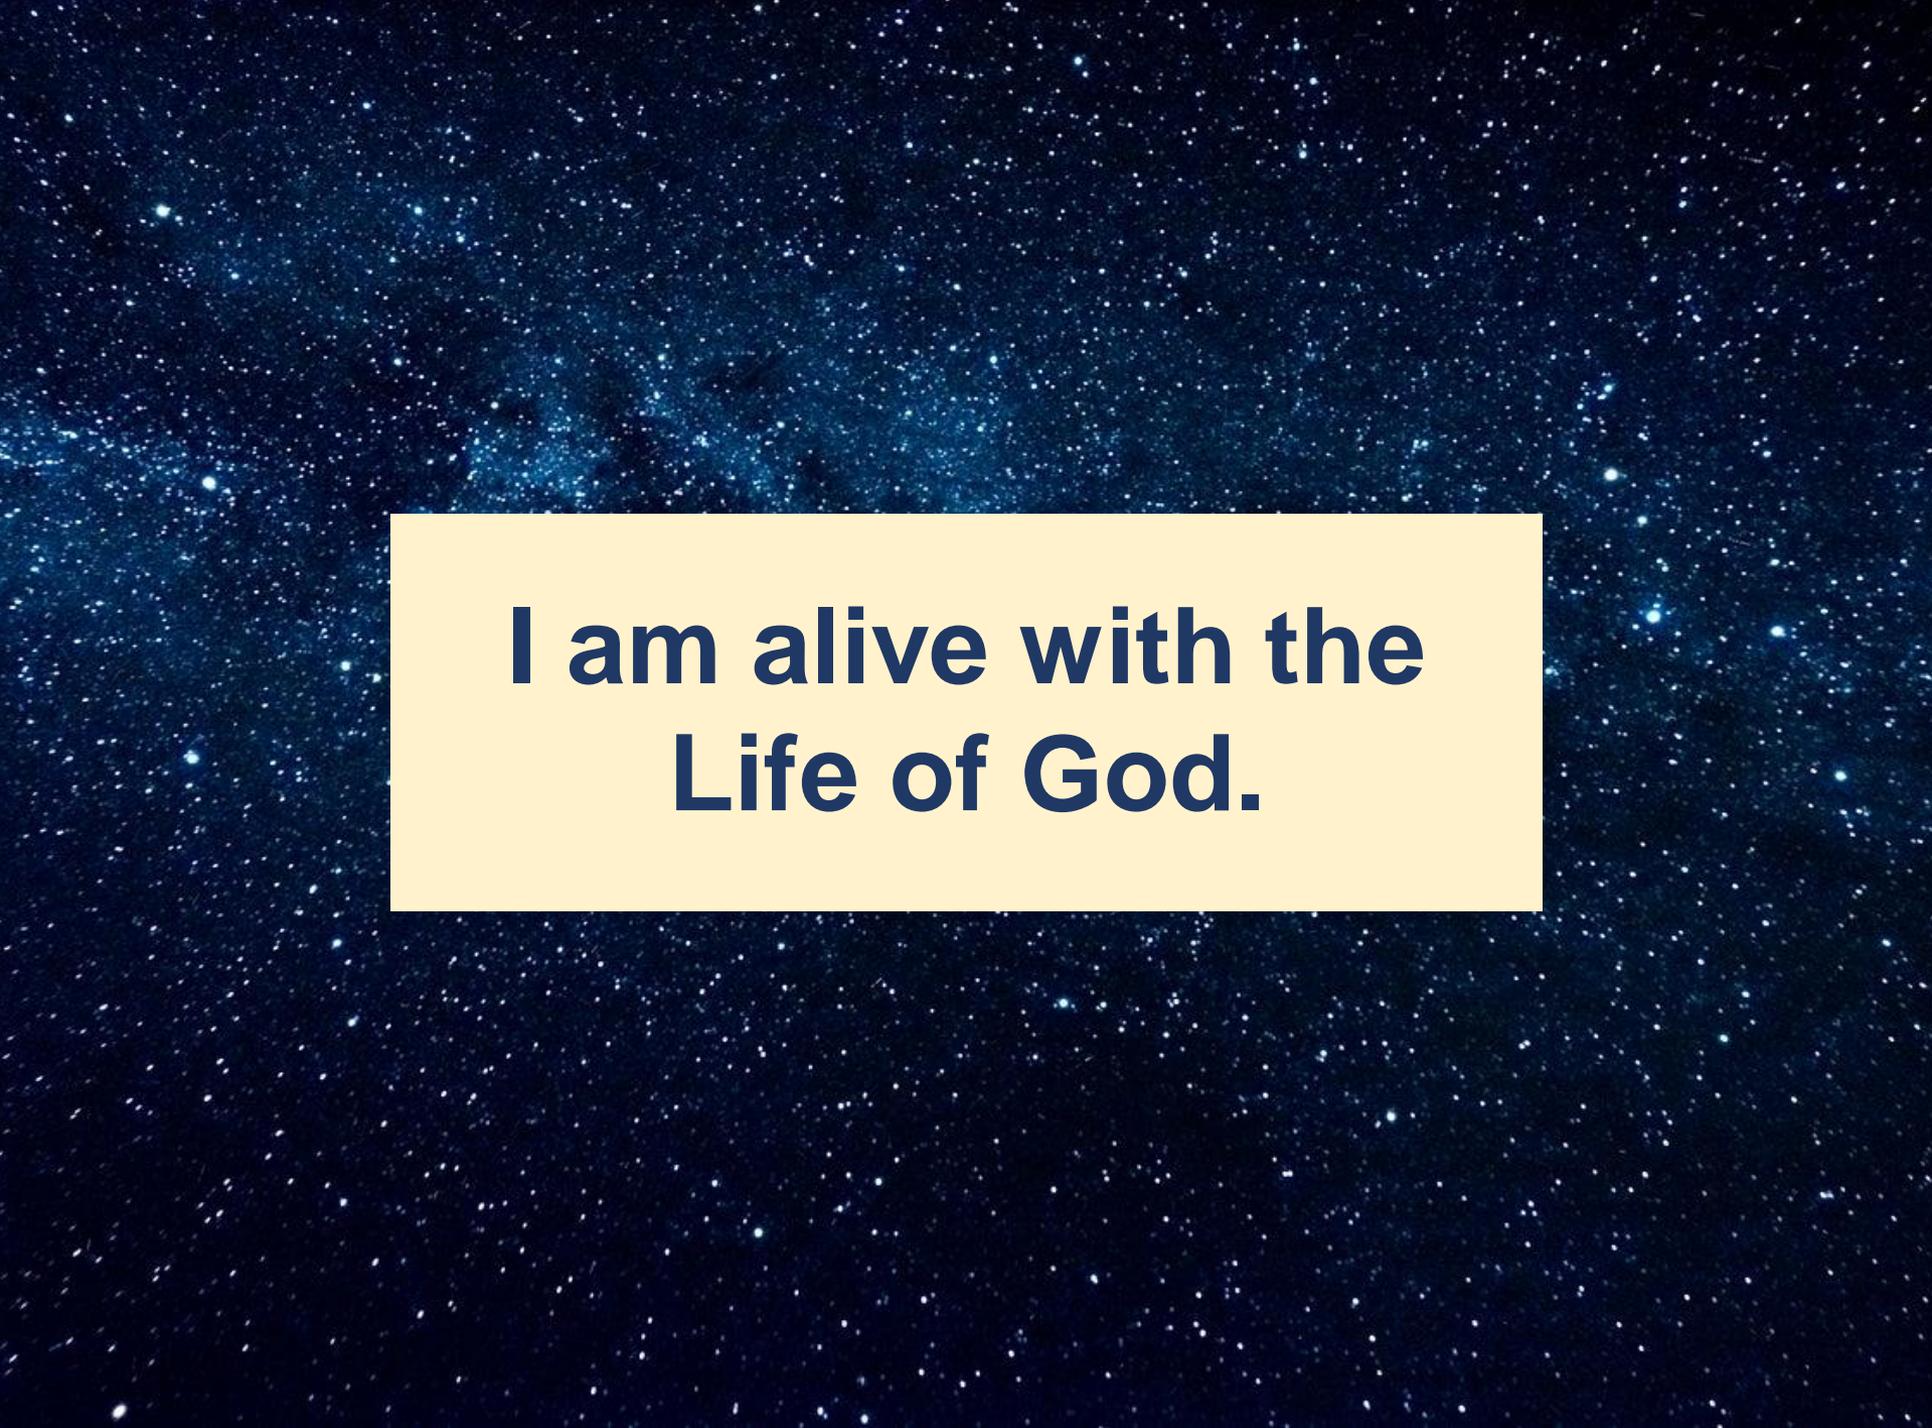

- Rom. 7.15

Having developed a consciousness apart from his divine nature, man must “till the ground from whence he was taken,” that is, he must come into a realization of God as the source of his Being and must express ideas in harmony with Divine Mind.

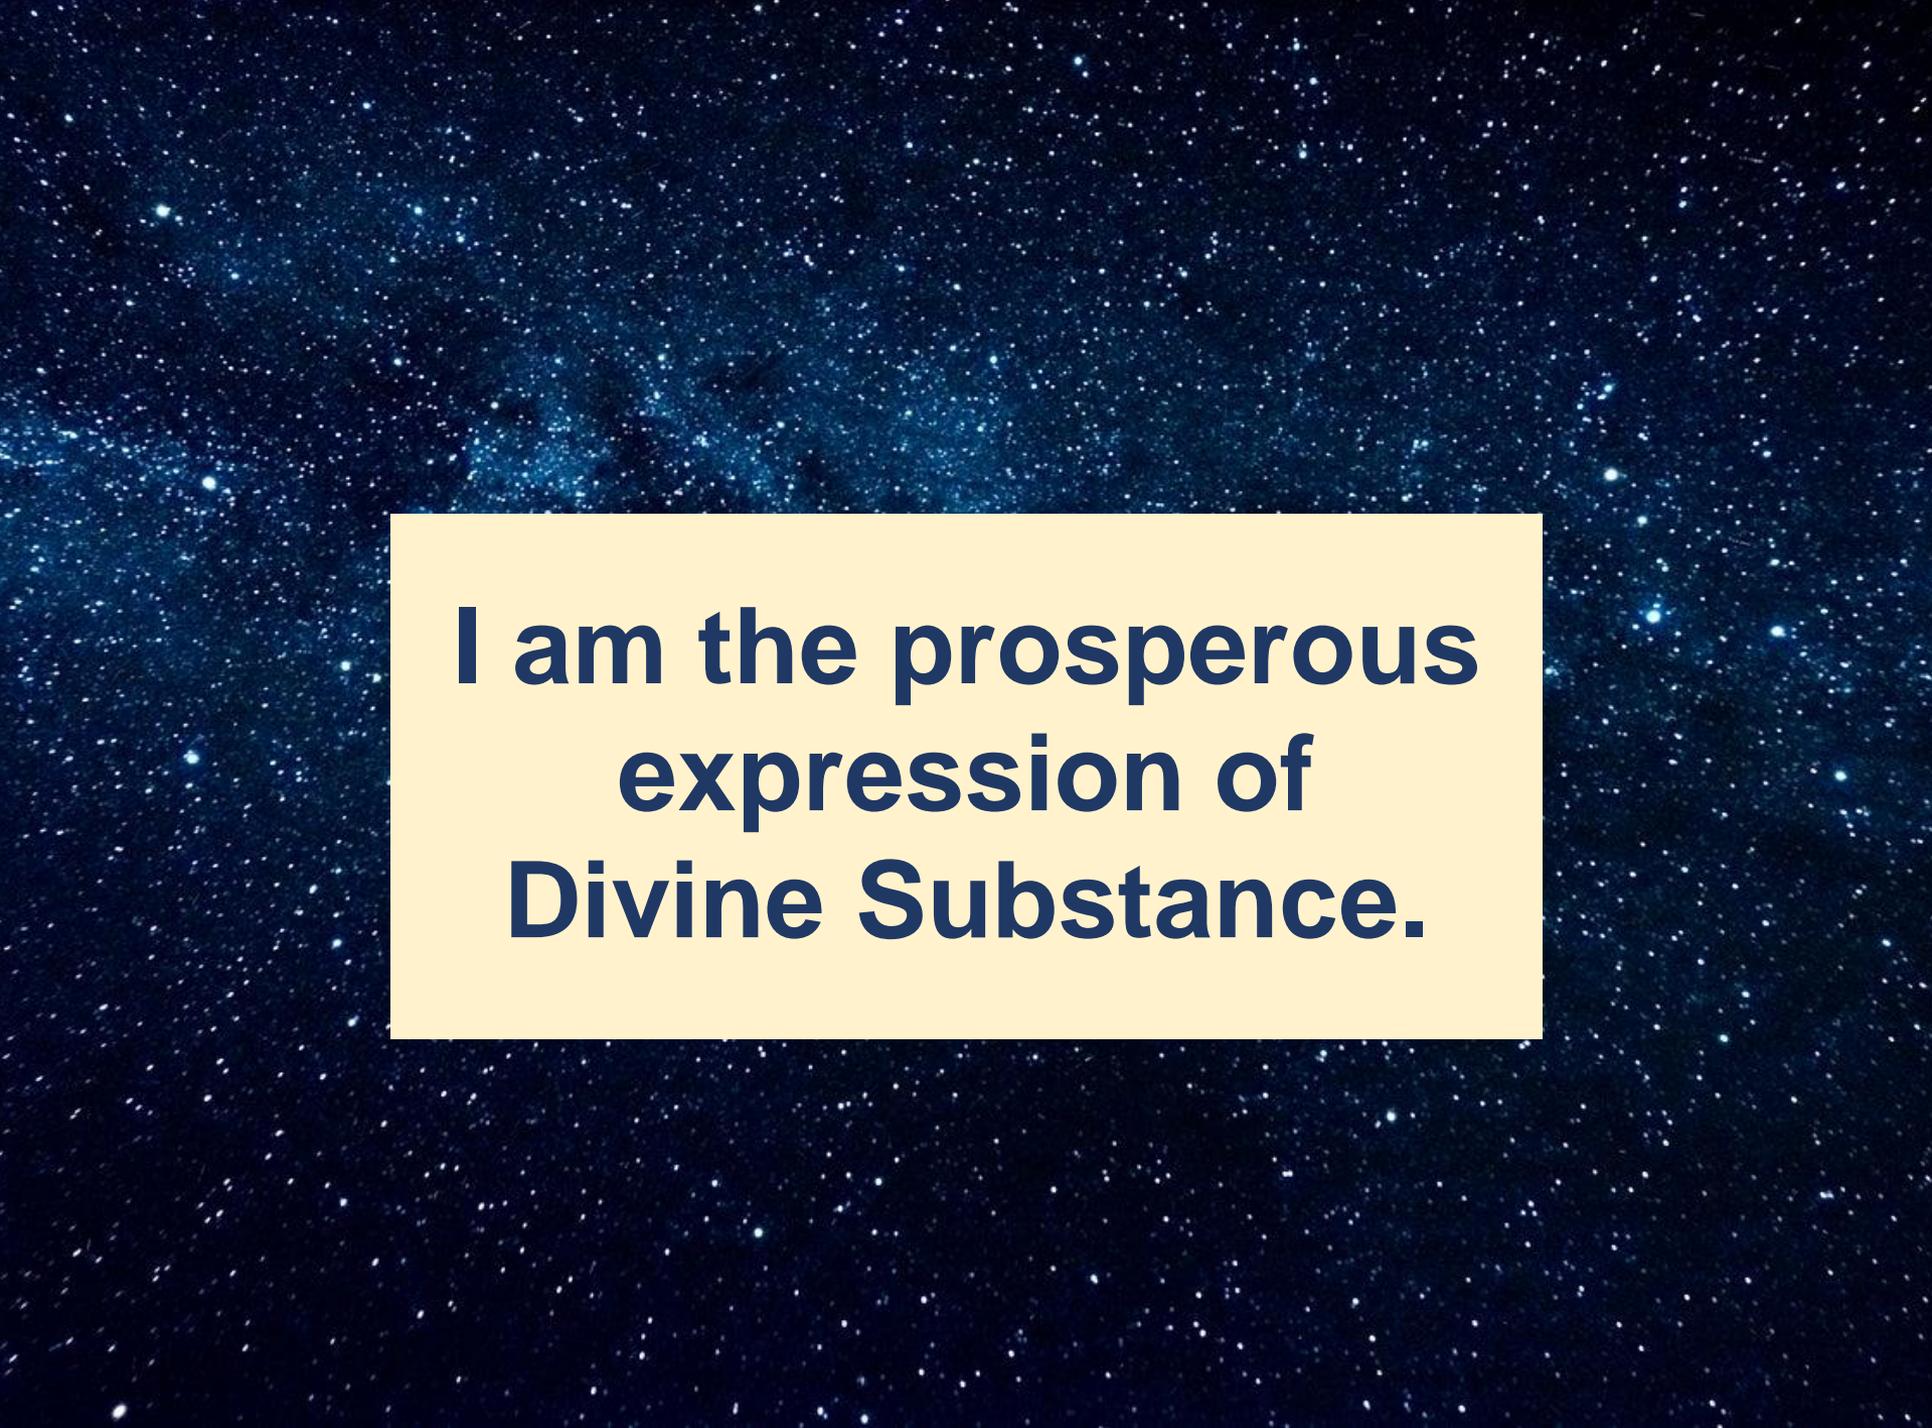

Charles Fillmore – *Metaphysical Bible Dictionary*

I Am Here

*Remember - Renew - Reveal*

**I REMEMBER who I AM.**

**I RENEW my mind with Truth.**

**I REVEAL my true Spirit.**

**I live from Love, first, last and always  
and reveal the Christ within.**

I saw that we were indeed made in the image of God, which is an essence taken from the Creator's own Light. It is through this experience we call "life in the flesh" that helps us to better understand the Creator and develop the inner Light by practicing Love. Every time you choose to participate in a loving thought, you are manifesting the feeling of Heaven on Earth. The reason most are so unsure about the place from which we all came is because we have forgotten to love ourselves or one another enough. Once we learn how to love enough and keep this love perpetual, we will build up a tremendous inner Light and this Light will be used to help us see glimpses into Heaven.
