**God is my
instant, constant,
and abiding Source.**

Jesus said to him, “Why do you call me good?
No one is good but God alone.”

- Mark 10/18

God is not a being having good qualities, but God is the good itself. Everything you can think of that is good, when in its absolute perfection, goes to make up that invisible Being we call God.

- Emilie Cady – *Lessons in Truth*

Every good and perfect gift is from above, coming down from the Father of the heavenly lights, who does not change.

- James 1.17

Love is an inner quality that sees good everywhere and in everybody. It insists that all is good and by refusing to see anything but good it causes that quality finally to appear uppermost in itself, and in all things. It joins and binds everything in divine harmony.

- Charles Fillmore – *Revealing Word*

He makes his sun to rise on the evil and on the good, and sends rain on the righteous and on the unrighteous. — Matt. 5.45

If God is for us, who can be against us?

- Romans 8.31

**God's Love
in me
is my inherent good.**

**I open my mind
to Divine Intelligence
and know what is
mine to do.**

There is an inexhaustible and equal distribution of power throughout the universe, and we may have whatever degree of it our consciousness is ready to appropriate.

- Unity Correspondence School

When we are not manifesting life as we desire, it is because our thoughts and our conversation are not in accord with the life idea. Every time that we think life, speak life, rejoice in life, we are setting free, and bringing into expression in ourselves more and more of the life idea.

- Charles Fillmore – *Vitalizing Power in Man*

There is only one Presence and one Power in the Universe and in my life, the all-loving goodness of God.
