**There is only one Presence
and one Power
in the Universe and in my life,
the all-loving goodness of God.**

UNiTY's 2nd PRINCIPLE

We are each individual, eternal expressions of God and therefore, inherently good.

UNiTY's 3rd PRINCIPLE

LAW

It is he who made the earth by his power, who established the world by his wisdom, and by his understanding stretched out the heavens.

- Jer. 51.15

In the beginning was the Word, and the Word was with God, and the Word was God. All things came into being through him, and without him not one thing came into being.

- John 1.1-3

Every thought vibrates and radiates a signal and every thought attracts a matching signal back. This is the Law of Attraction. It's a Universal Manager that sees that all thoughts that match one another line up.

Esther Hicks – *Ask & It Is Given*

- “Thoughts held in mind produce in like kind.”
- Let it be done to you as you believe. Matt. 9.29
- As a man thinks in his heart, so is he. Prov 23.7
- You reap whatever you sow. Gal. 6.7

We sometimes think one thing and manifest another because the conscious thought of the moment has not yet worked itself into the subconscious phase of mind – it has not been felt or realized. Until thoughts become a part of the feeling nature, they do not produce results in our bodies and affairs.

Richard & Mary Alice Jafolla – *The Quest*

Truly the thing that I fear comes upon me
and what I dread befalls me.

Job 3.25

So do not worry, saying, 'What shall we eat?' or 'What shall we drink?' or 'What shall we wear?' God knows our need before we even ask. But seek first his kingdom and his righteousness, and all these things will be given to you as well.

Matt. 6.31-33

You are a vibrational being. The frequency that you radiate with your emotions and thoughts is matched by the universe. We receive energy (thoughts and emotions) from the universe at the level which we are conditioned to receive from...in other words, at the level we are perceptually tuned to receive. If we habitually live in a negative mental world where you perceive suffering, stress, scarcity and the like, you are only available for those same energies from the universe. But if we start to cultivate love, kindness, and inspiration, then we tap into much higher levels of universal consciousness and thus 'download' information directly from the field in ways we never thought possible.
