

**UNITY**

**A Spiritual Path  
for Conscious Living**

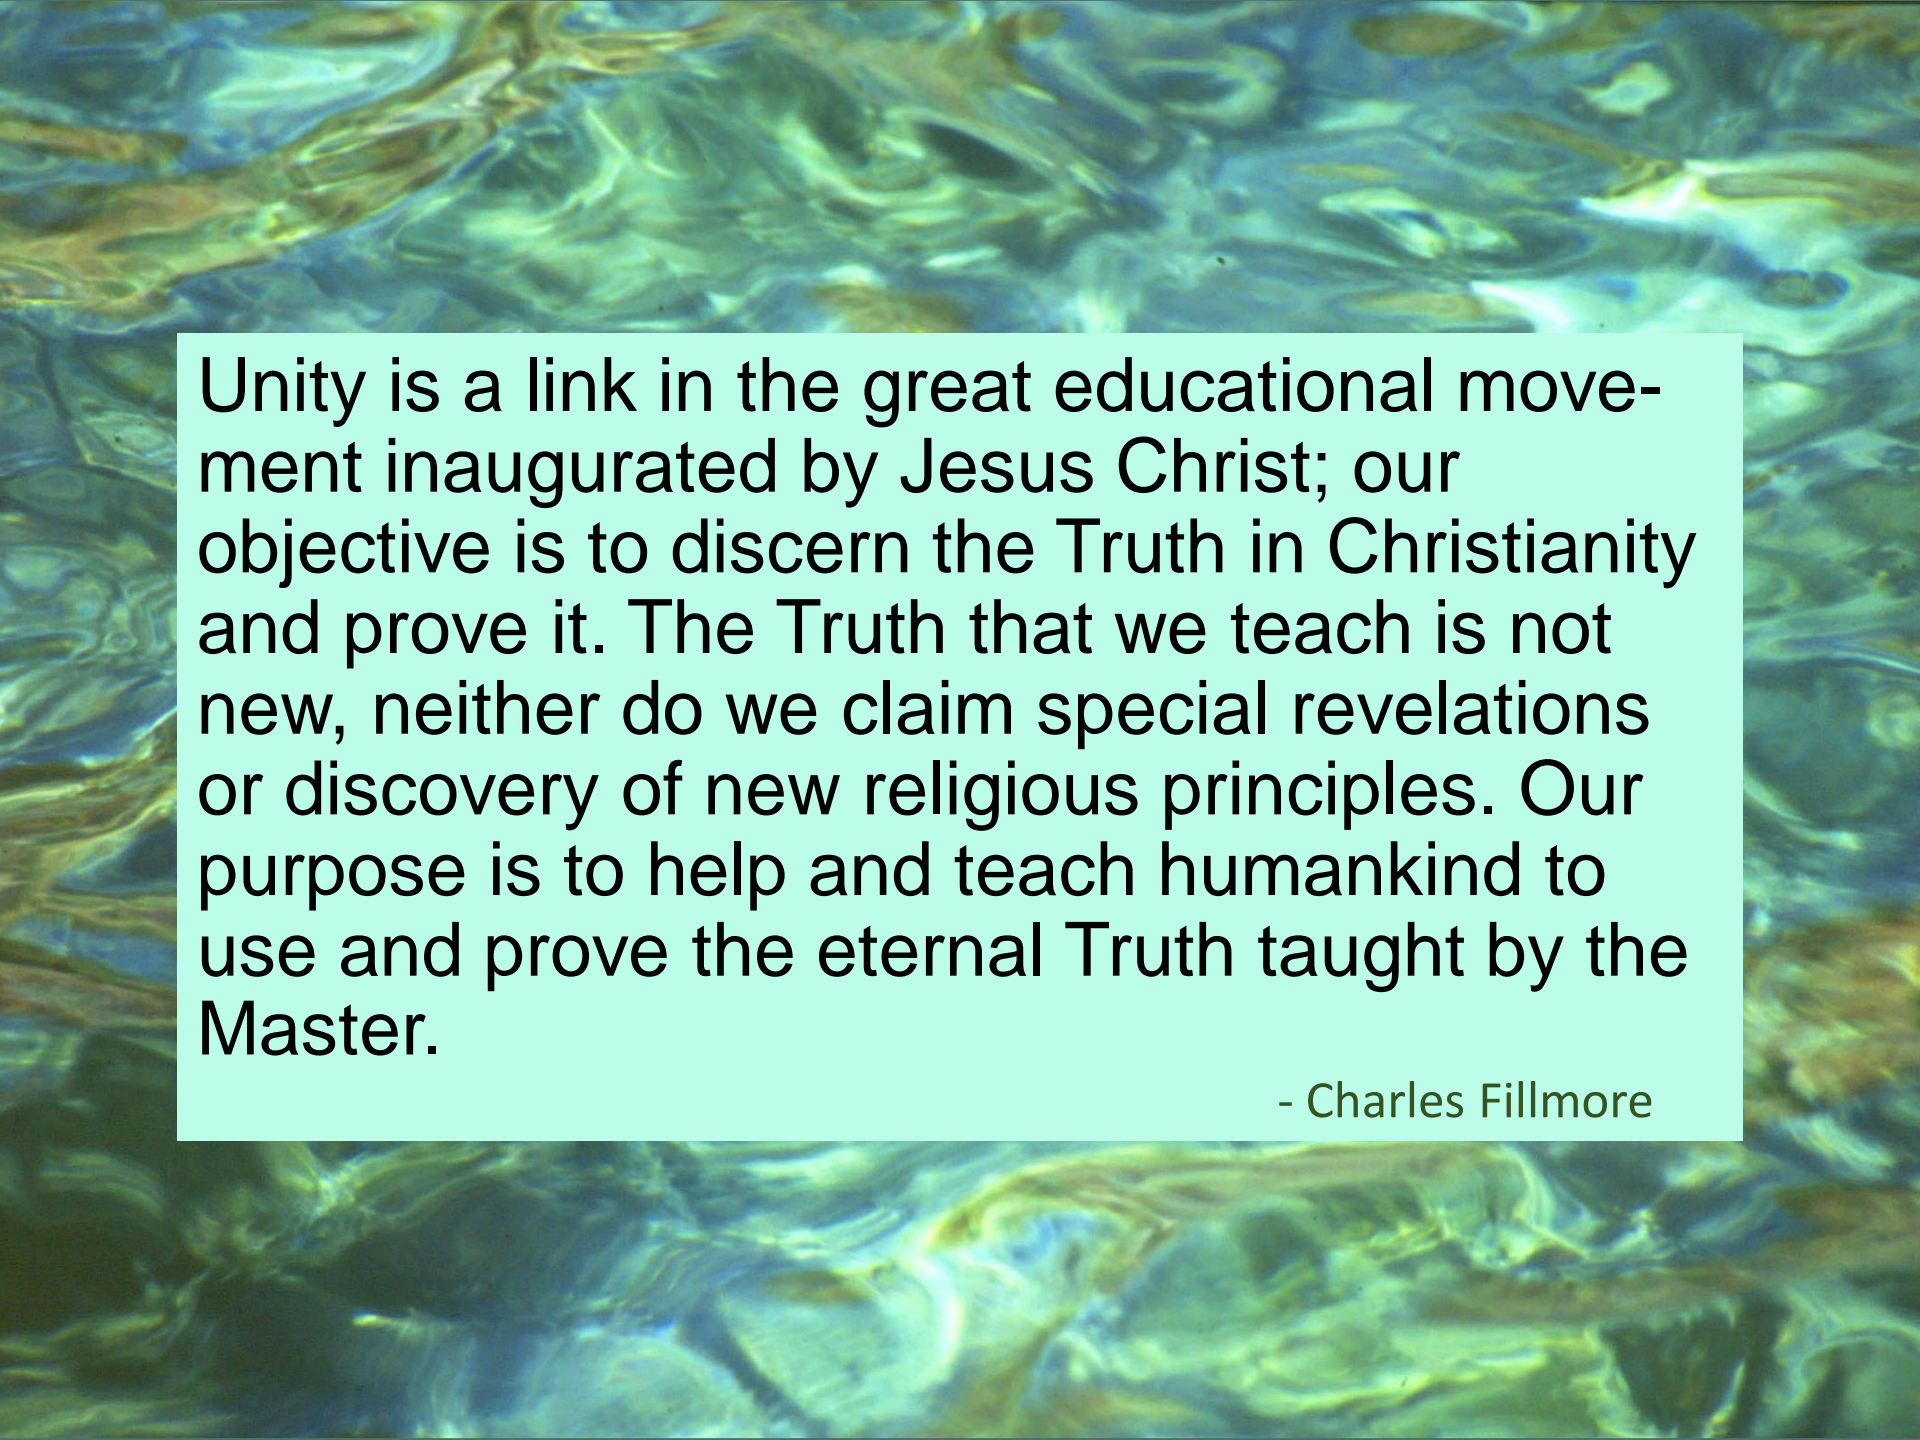

**Unity is universal oneness of  
God, man and all creation.  
The only real unity is in Spirit.**

*Charles Fillmore - Revealing Word*

What Is   
**UNITY** ?

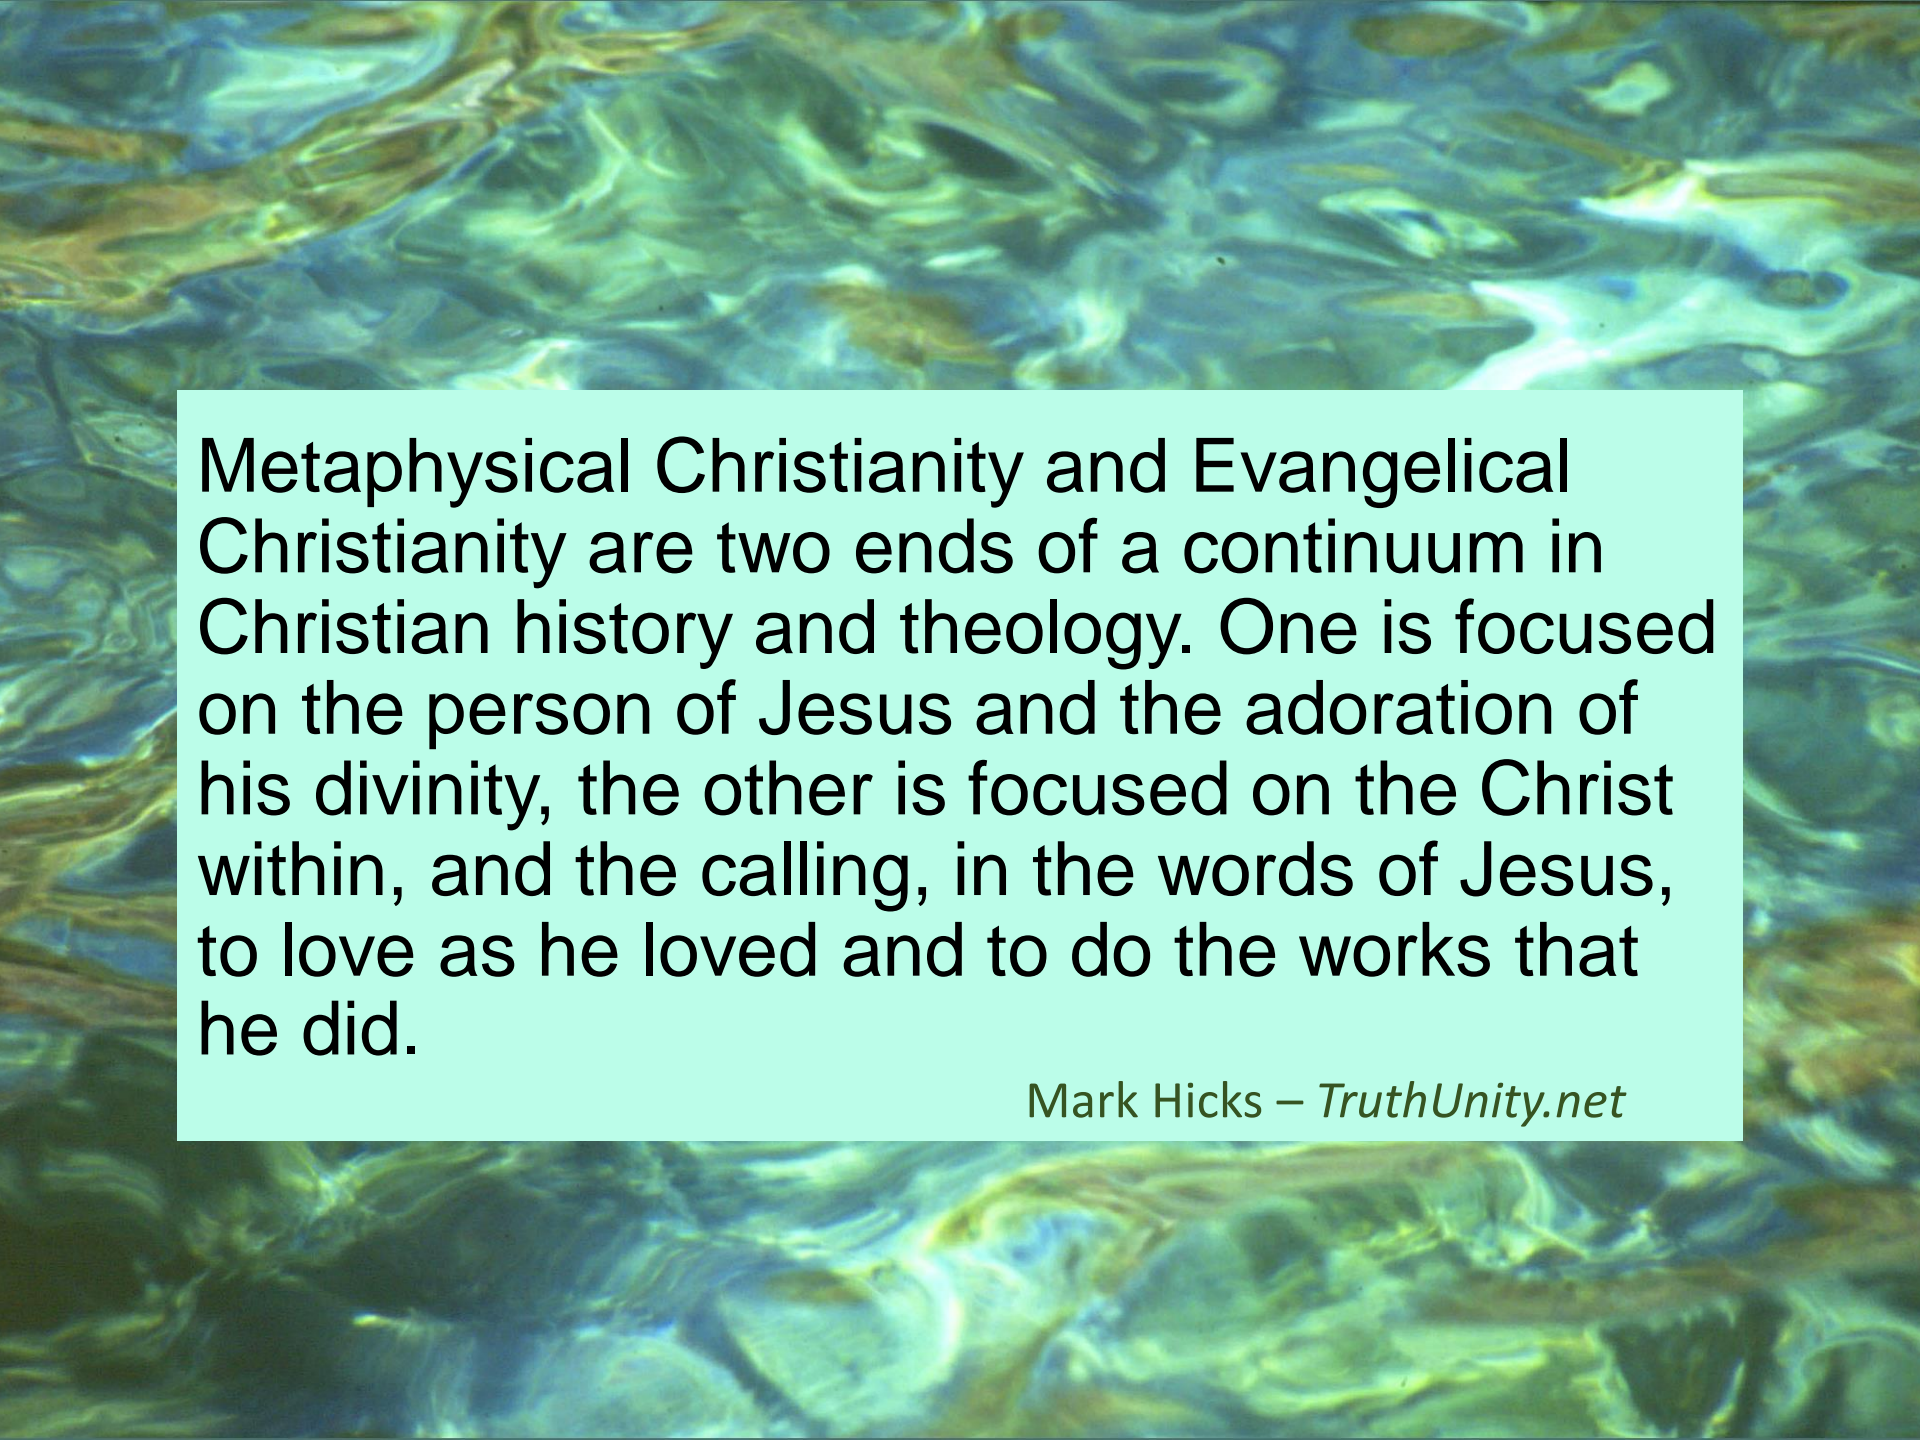

Unity is a link in the great educational movement inaugurated by Jesus Christ; our objective is to discern the Truth in Christianity and prove it. The Truth that we teach is not new, neither do we claim special revelations or discovery of new religious principles. Our purpose is to help and teach humankind to use and prove the eternal Truth taught by the Master.

**UNITY** ?

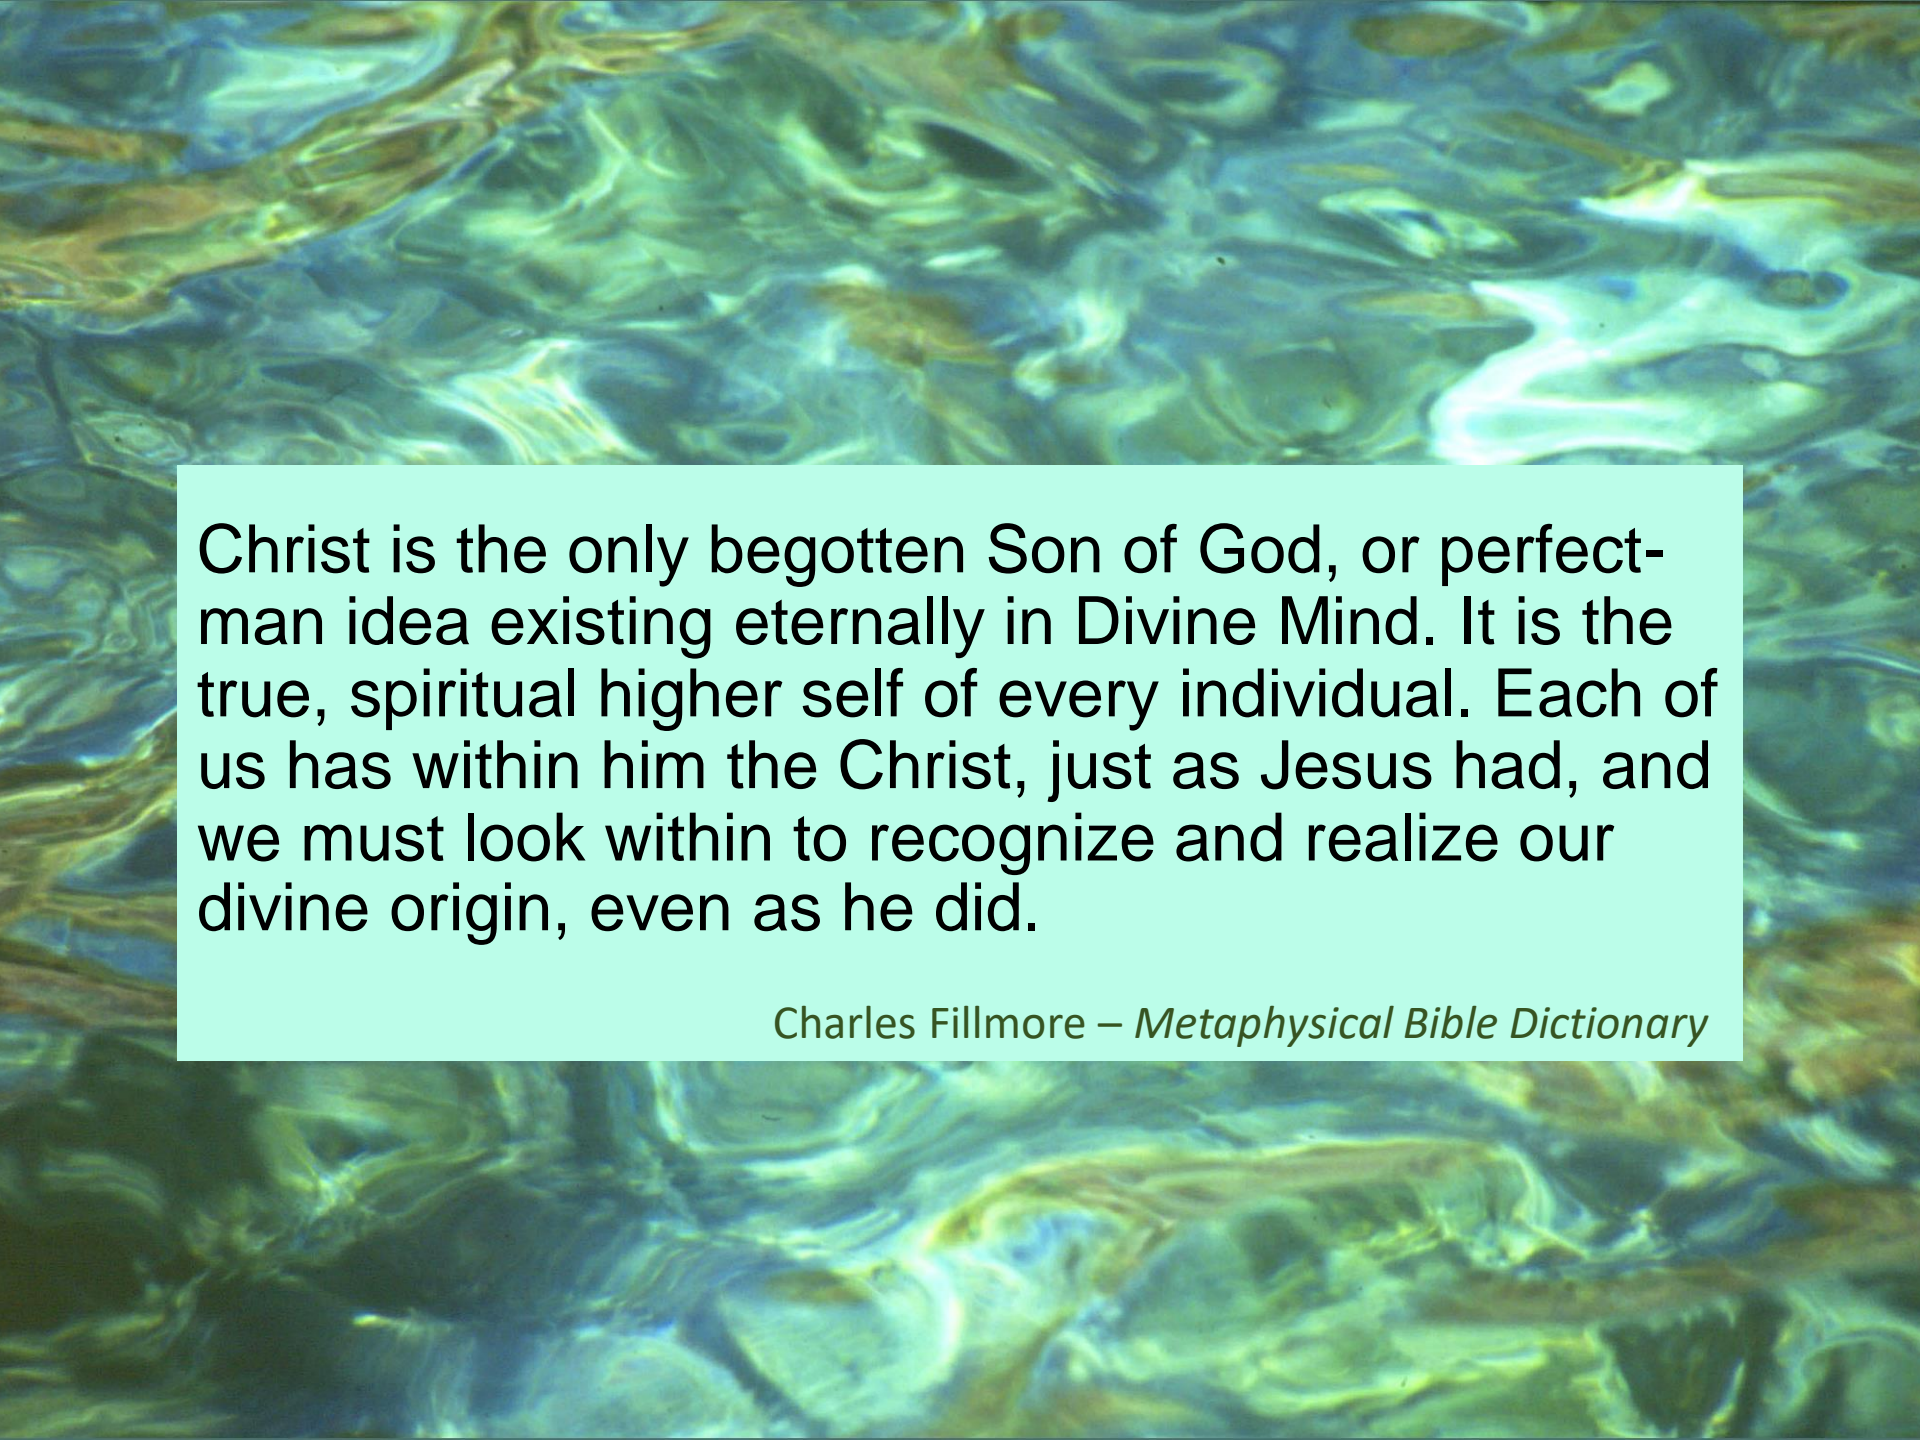

Metaphysical Christianity and Evangelical Christianity are two ends of a continuum in Christian history and theology. One is focused on the person of Jesus and the adoration of his divinity, the other is focused on the Christ within, and the calling, in the words of Jesus, to love as he loved and to do the works that he did.

What Is   
**UNITY**?

Christ is the only begotten Son of God, or perfect-man idea existing eternally in Divine Mind. It is the true, spiritual higher self of every individual. Each of us has within him the Christ, just as Jesus had, and we must look within to recognize and realize our divine origin, even as he did.

Charles Fillmore – *Metaphysical Bible Dictionary*

What Is   
**UNITY** ?

What God did not create does not exist. And everything that does exist exists as He created it. The world you see has nothing to do with reality. It is of your own making, and it does not exist.

A Course in Miracles Workbook

The world of conditions is not an illusion. People suffer today. We are called to alleviate that suffering by engaging culture with Unity's message of wholeness, empowerment and prosperity and with our own capacity to transform tragedy into greater good.

What Is   
**UNITY** ?

- A spiritual path for conscious living.

- We honor all paths to God and follow the path that Jesus taught.

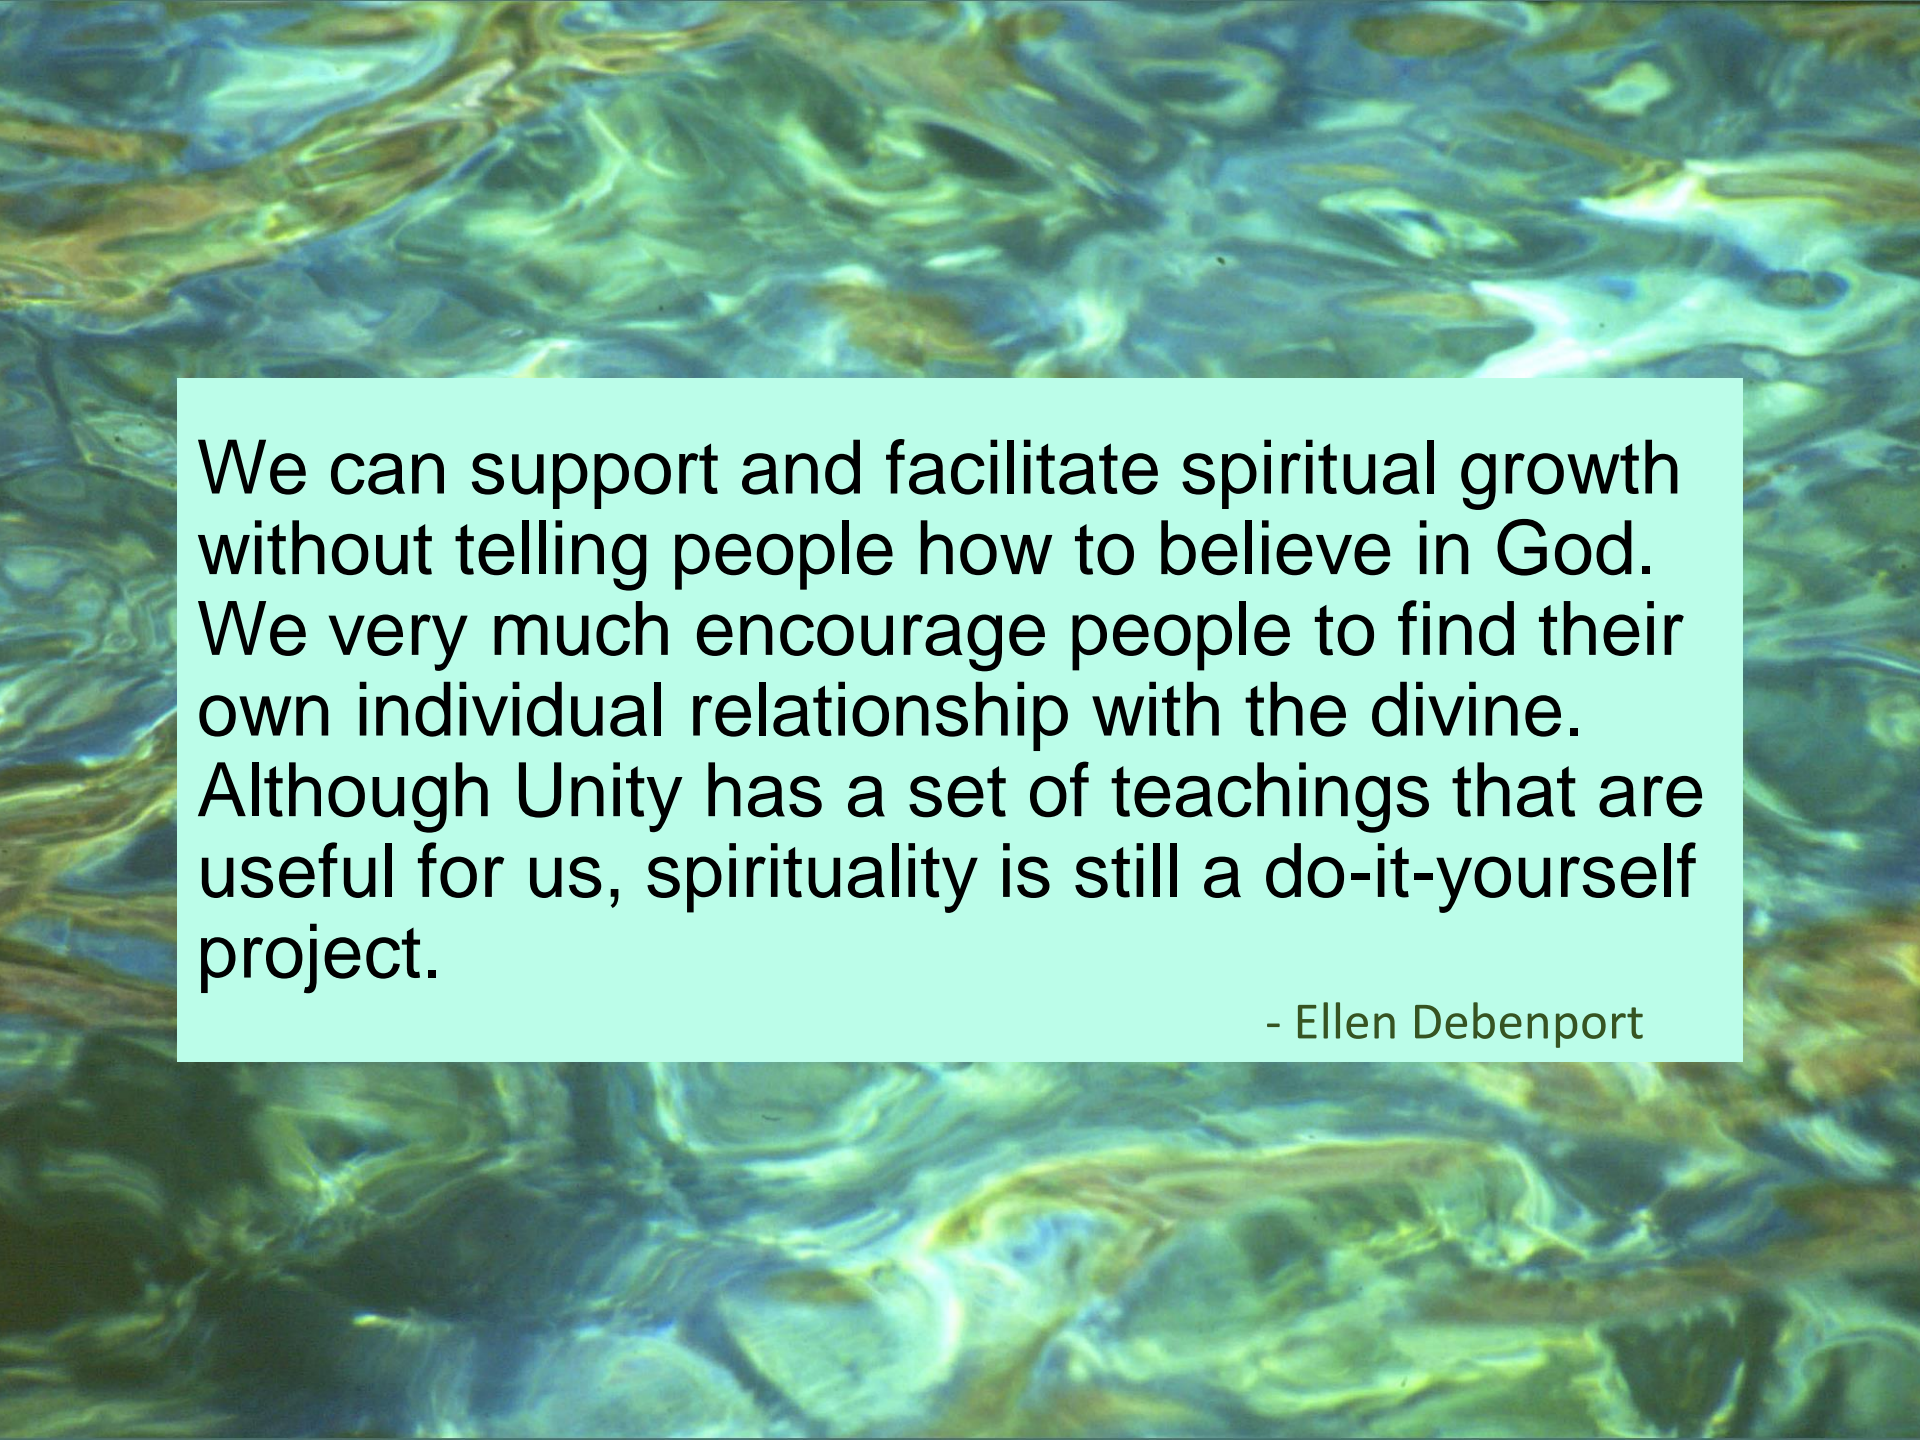

- We are spiritual beings, having a human experience.

- God is in everyone. We are here to express our divine potential.

- We are all divine in nature and our thoughts have creative power.

What Is   
**UNITY** ?

We can support and facilitate spiritual growth without telling people how to believe in God. We very much encourage people to find their own individual relationship with the divine. Although Unity has a set of teachings that are useful for us, spirituality is still a do-it-yourself project.

- Ellen Debenport
