

What Is

UNITY?

**To see a World
in a Grain of Sand
and a Heaven in a Wild Flower
Hold Infinity
in the palm of your hand
and Eternity in an hour**

William Blake – *Auguries of Innocence*

**There is no bar or wall in the soul,
where man, the effect, ceases,
and God, the cause, begins.
We lie open on one side
to the deeps of spiritual nature,
to the attributes of God.**

Ralph Waldo Emerson – *The Over-Soul*

I come into contact with your enemy and restore you to health and happiness. This I do partly mentally, and partly by talking till I correct the wrong impression and establish the Truth, and the Truth is the cure.

UNITY

I found that I was releasing electronic forces sealed up in the nerves. Now I have what may be termed an electric body that is gradually replacing the physical. It's even more than electric, and when certain spiritual emotions are imparted to it, it fairly glows and blends with an omnipresent etheric atmosphere that is highly charged with life energy. My physical organism is being transformed cell by cell and the ultimate will be an entirely new body having all the perfections of youth in addition to ethereal life.

Charles Fillmore – from *Story of Unity* by James Dillet Freeman

God is all goodness and everywhere present. He is the loving Father, and I am his child and have all his attributes of life, love, truth and intelligence. In Him is all health, strength, wisdom and harmony, and as His child all these become mine by a recognition of the truth that God is all.

- Class Thought – April 1890

God seeks always to restore harmony, strength, life, wholeness in that which He has created. Our holding thoughts like these and communing with the indwelling Presence in the silence gives to the healing Christ within the best possible opportunity to do His work quickly. Let us pour out upon our organism blessings of praise for the good work it is doing in establishing wholeness. Let us think of ourselves as already manifesting perfection in mind, soul, and body, and give thanks that divine order is now established.

**I fairly sizzle with zeal and enthusiasm
and spring forth with a mighty faith to do
the things that ought to be done by me.**
