If your actions inspire others to dream more, learn more, do more and become more, you are a leader.

John Quincy Adams

**Every word I speak, every action I take
has an effect on the totality of humanity.**

Laurie Beth Jones – *The Path*

A community is like a ship; everyone ought to be prepared to take the helm.

Henrik Ibsen

I used to spend most of my time with those who were most negative, trying to convince them to change. Now I spend my time with the first group investing in my best assets.

John C. Maxwell – *21 Irrefutable Laws of Leadership*

Those who try to make their life secure will lose it, but those who lose their life will keep it.

Luke 17.33

Those who are the greatest among you should take the lowest rank, and the leader should be like a servant.

Luke 22.26

When we forget our own desires and devote ourselves to doing what God would have done, this moment and constantly, we shall find that there is no limit to the strength we have and the things we can do. We have yielded ourselves to the source and entered into a oneness that makes us receptive to all that the source is and holds for us.

Myrtle Fillmore

The sole purpose of our existence is simply to be happy. And we will never know true joy until we freely share our gifts, our time and ourselves. We serve, not to get something in return, but because we recognize giving is the essence of who we are.
