

My
Soul

Flows

Those who drink of the water that I will give them will never be thirsty. The water that I will give will become in them a spring of water gushing up to eternal life.

John 4.14

Out of the believer's heart shall flow rivers of living water.

John 1.12

There is a flow of harmony and love and light and life and substance everywhere. You are that flow...whether you are aware of it or not. This is what “omnipresence” is. All that is left is God's infinite good...
enough good for all.**

The human spirit has its source in the divine fountain which must be permitted to flow freely through man. Anyone who flows as life flows has solved the enigma of human existence and needs no other power. Anything is evil that blocks the flow of creative action, and everything is healthy that flows with the Universe.

Lao Tzu

To be in flow with the symphony of the universe, you have to be willing to leap before you know if it will work. Every single successful creator you see, that's what they did. They jumped into a chasm and hoped and prayed and kept going.

Erin Werley

You intended to come forth into the physical realm of contrast to define what is wanted, to connect with the Energy that creates worlds, and to flow it toward your objects of attention, not because the objects of attention are important – but because the *act of flowing is essential to life.*

Esther Hicks

Forget the former things, do not dwell on the past. See, I am doing a new thing! It's springing up – can't you see it? I will make a road through the wilderness and give you streams of water there.

Isaiah 43.18-19

My Soul flows from the River of Life and something wonderful is springing forth!
