

Love Knows Best

I still have many things to say to you, but you cannot bear them now. When the Spirit of truth comes, he will guide you into all the truth.

John 16.12

Everything is really full of love for you...the good that is for you loves you as much as you love it. The good that is for you seeks you and will come flying to you if you see that what you love is love itself. All people will change when you know that they are love. We shall change toward all people when we know that we ourselves are formed out of love. All is love. There is nothing in all the universe but love.

Emma Curtis Hopkins
