

I am a **FAITHKEEPER**

...for Divine Love

A lot of these communities are designed to spin out mass shooters over time, over and over and over. The idea is that everyone within these communities sort of lose track of what is real and what is fake, and they start fantasizing about and fetishizing violence as sort of this end all be all of the essence of existing.

Under extreme conditions, if every single tribe member stumbles into fear, doubt, anxiety, worry and pain - the Faithkeeper maintains peace and calm, spiritual enlightenment and understanding. The Faithkeeper is looked upon as the mainstay to the "I AM" presence of God, Great Spirit or Creator.
