

I am a **FAITHKEEPER**

*...for Divine Abundance*

Under extreme conditions, if every single tribe member stumbles into fear, doubt, anxiety, worry and pain - the Faithkeeper maintains peace and calm, spiritual enlightenment and understanding. The Faithkeeper is looked upon as the mainstay to the "I AM" presence of God, Great Spirit or Creator.

Oren Lyons

Meanwhile his disciples urged him, “Rabbi, eat something.” But he said to them, “I have food to eat that you know nothing about. Don’t you have a saying, ‘It’s still four months until harvest’? I tell you, open your eyes and look at the fields! They are ripe for harvest.”

John 4.31-35

The Economy is little more than a barometer that registers the highs and lows of consciousness. Wherever two or three are gathered together in an interaction of minds, a very real energy force is projected into the world.

Eric Butterworth – *Spiritual Economics*

Substance cannot be seen, yet it is more substantial than matter. Its nature is to “stand under” matter as its support and only reality. It does not fluctuate with market reports. It does not decrease in "hard times" nor increase in "good times." It cannot be hoarded away to cause a deficiency in supply and a higher price. It is ever the same, constant, abundant, freely circulating and available.

Charles Fillmore – *Prosperity*

Matt. 11.29-30

Sometimes even though you're asking for a specific desire, you're actually moving further from it. You think you're asking for what you do want but your request is actually being made from your awareness of its absence.

Esther Hicks – *Getting Into the Vortex*

FaithKeeper  
for Abundance.  
I am designed  
to create and  
the Universe  
is designed  
to provide.
