

A person's hands are shown in silhouette, holding a large, glowing sphere of light. The sphere is composed of many smaller, bright points of light, creating a textured, crystalline appearance. The background is a soft, warm sunset or sunrise sky, with a bright sun low on the horizon. A network of thin, white lines connects various points of light scattered across the sky, resembling a constellation or a digital network. The overall mood is spiritual and uplifting.

I am a **FAITHKEEPER**

*...for Divine Life*

If all bodily ills of all people in the world were healed instantly, they would soon be sick again, unless they were taught the Truth.

Myrtle Fillmore – *Unity Magazine*

Under extreme conditions, if every single tribe member stumbles into fear, doubt, anxiety, worry and pain - the Faithkeeper maintains peace and calm, spiritual enlightenment and understanding. The Faithkeeper is looked upon as the mainstay to the "I AM" presence of God, Great Spirit or Creator.

Oren Lyons

Our essence is more Source energy  
than flesh.

Esther Hicks

Spirit occupies the place that matter  
claims to occupy.

Emma Curtis Hopkins

There's not enough actions in the world  
to compensate for vibrational resistance.

Esther Hicks – *Getting Into the Vortex*

Through the vibrations of the voice joined with high thinking, every cell in the body is set into action, and not only in the body but out into the environing thought atmosphere the vibrations go and break up all crystallized conditions.

Charles Fillmore – *Jesus Christ Heals*

steady stream  
of renewing,  
cleansing,  
vitalizing life.
