ON WORRY

**Cast your cares on the Lord and He
will sustain you; He will never let
the righteous be shaken.**

Ps. 55.22

In your world today there are countless remedies offered, but there are not enough actions in the world to compensate for Vibrational resistance. By focusing simply upon your Vibrational relationship with the Energy of your Source, you will be distracted from any unwanted conditions. And as you withdraw your attention from those unwanted conditions, they will cease to exist.

Abraham-Hicks – Getting Into the Vortex

**Walk with me and work with me –
watch how I do it.
Learn the unforced rhythms of grace.
I won't lay anything heavy
or ill-fitting on you.
Keep company with me and
you'll learn to live freely and lightly.**

Matt. 11.29-30

If you change your thought and thus get into a “yes” consciousness, you become synchronized with the divine flow, and you create the condition that makes the result inevitable. True positive thinking is simply synchronizing yourself with the great positive, with the great yes of Spirit, and thus you create the condition that makes your desire inevitable.

For as the rain and the snow come down from heaven, and do not return there until they have watered the earth, making it bring forth and sprout, giving seed to the sower and bread to the eater, so shall my word be that goes out from my mouth; it shall not return to me empty, but it shall accomplish that which I purpose, and succeed in the thing for which I sent it.

Is. 55.10-11

Life and death are in the power of the tongue.

Prov. 18.21

This issue has no power over me. I am a spiritual being, established in wholeness and life. I live in an abundant Universe that loves and supports me. As I seek, I find. When I ask, it is given. Divine Wisdom fills my thoughts with perfect solutions. All things are working together for my highest good.

If you believe that what you say will come to pass, it will be done for you.

Turn the power of praise upon whatever you wish to increase. You can praise yourself from weakness to strength, from ignorance to intelligence, from poverty to affluence, from sickness to health.
