

*Free to* Prosper

**I am free to prosper!**

Your Universe is based upon freedom. Freedom for everyone to choose what they give their attention to, and therefore what they choose to experience. When others achieve Vibrational alignment with something they desire, they in no way deprive you of your desires. If your time-space reality has inspired a desire within you, it is certain that your desire can be fulfilled, for your Earth environment has the potential of satisfying the essence of all desires.

Abraham-Hicks Workshop

While some of us may complain about how little there is of this and that, the universe was created in absolute, utter, glorious, eternal, nonstop, never-ending, over-the-top, knock-your-socks-off abundance. Not just enough. More than enough. Extravagant, really.

Alan Cohen – *Relax Into Wealth*

When pure spiritual energy flows through an idea that is based on a materialistic universe, the energy conforms to that concept and is subject to the human mind beliefs in lack, limitation, shortages, and having to 'earn a living.'

However, as the substance idea is understood and realized, every need of supply in the physical world is made manifest. Substance – flowing thru a consciousness of substance – 'reads your needs' as it passes through your mind and literally becomes the needed thing, whether money, a home, an automobile, or whatever.

John Randolph Price – *The Superbeings*

Substance pours itself through us every moment and externalizes itself as a mirror of our convictions.

ENOUGH

Jesus, looking at him, loved him and said, "You lack one thing; go, sell what you own, and give the money to the poor, and you will have treasure in heaven; then come, follow me." When he heard this, he was shocked and went away grieving, for he had many possessions. Then Jesus looked around and said to his disciples, "How hard it will be for those who have wealth to enter the kingdom of God!"

We cannot have anything until we first have the consciousness of that thing.

When you realize that nothing is lacking,  
the whole world belongs to you.

Lao Tzu

You place the image of the desire in the stream of substance and the substance flows from the invisible to the visible – according to the degree of your faith and expectation. Substance has a plastic quality and what you impress it with, it becomes. So expect the very best you can imagine.
