

Free to Prosper

I am free to prosper!

The spiritual substance from which comes all visible wealth is never depleted. It is right with you all the time and responds to your faith in it and your demands on it. It is not affected by our ignorant talk of hard times, though we are affected because our thoughts and words govern our demonstration. The unfailing resource is always ready to give. It must give for that is its nature. Pour your living words of faith into the omnipresent substance, and you will be prospered though all the banks in the world close their doors. Turn the great energy of your thinking toward “plenty” ideas and you will have plenty regardless of what people about you are saying or doing.

John Randolph Price
The Abundance Book

Money is my very essence, which when properly expressed, returns to me as an all-sufficiency of legal tender, to be used in exchange for goods and services.

John Randolph Price
The Abundance Book

Don't you have a saying, 'Four more months and then the harvest'? Well, what I say to you is: open your eyes and look at the fields! They're already ripe for harvest!

John 4.35
