CONSCIOUS CHOICES

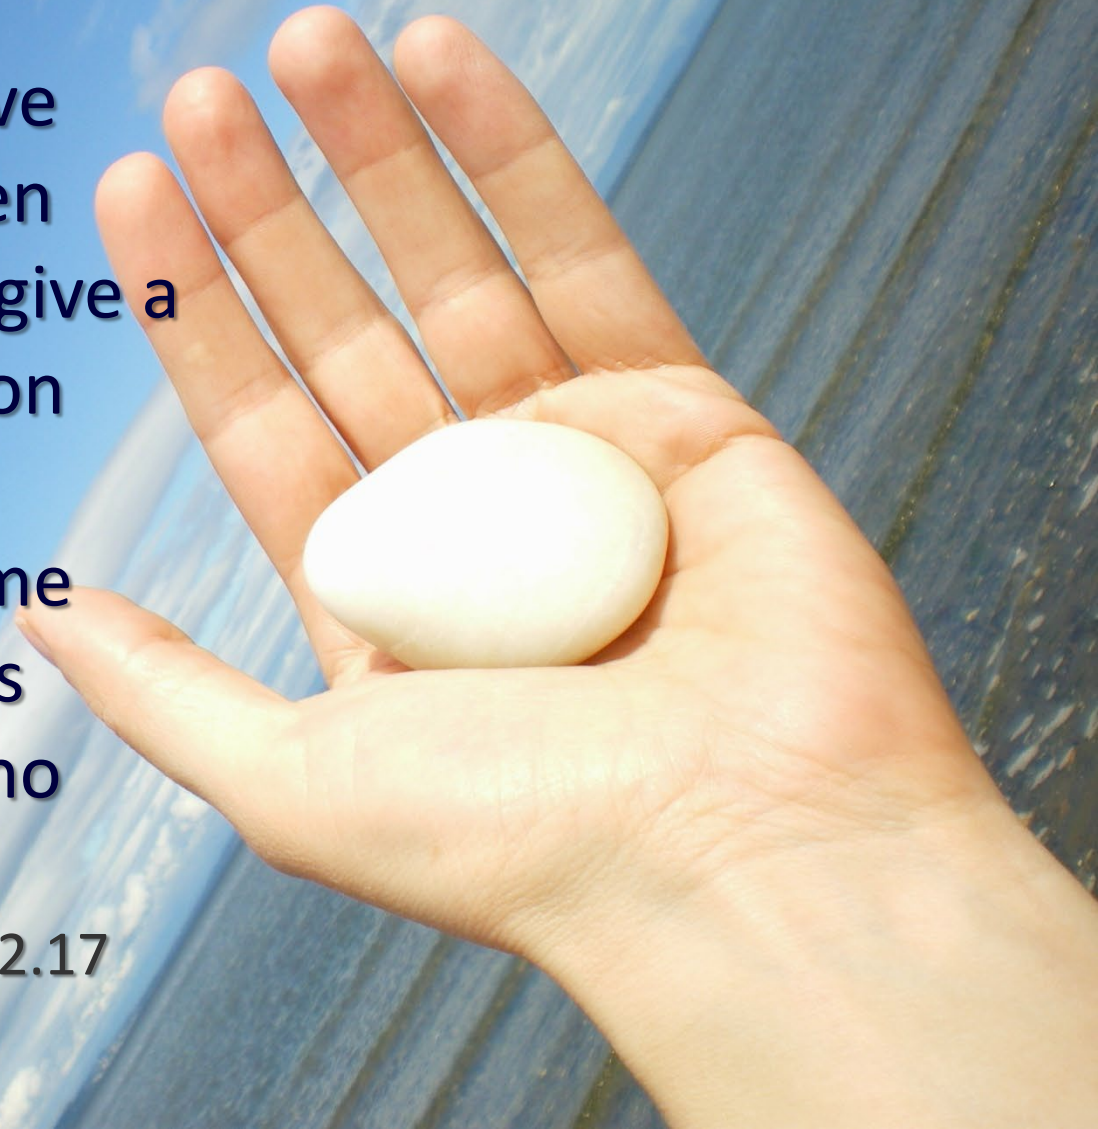

...in Uncertain Times

Let anyone who has an ear listen...

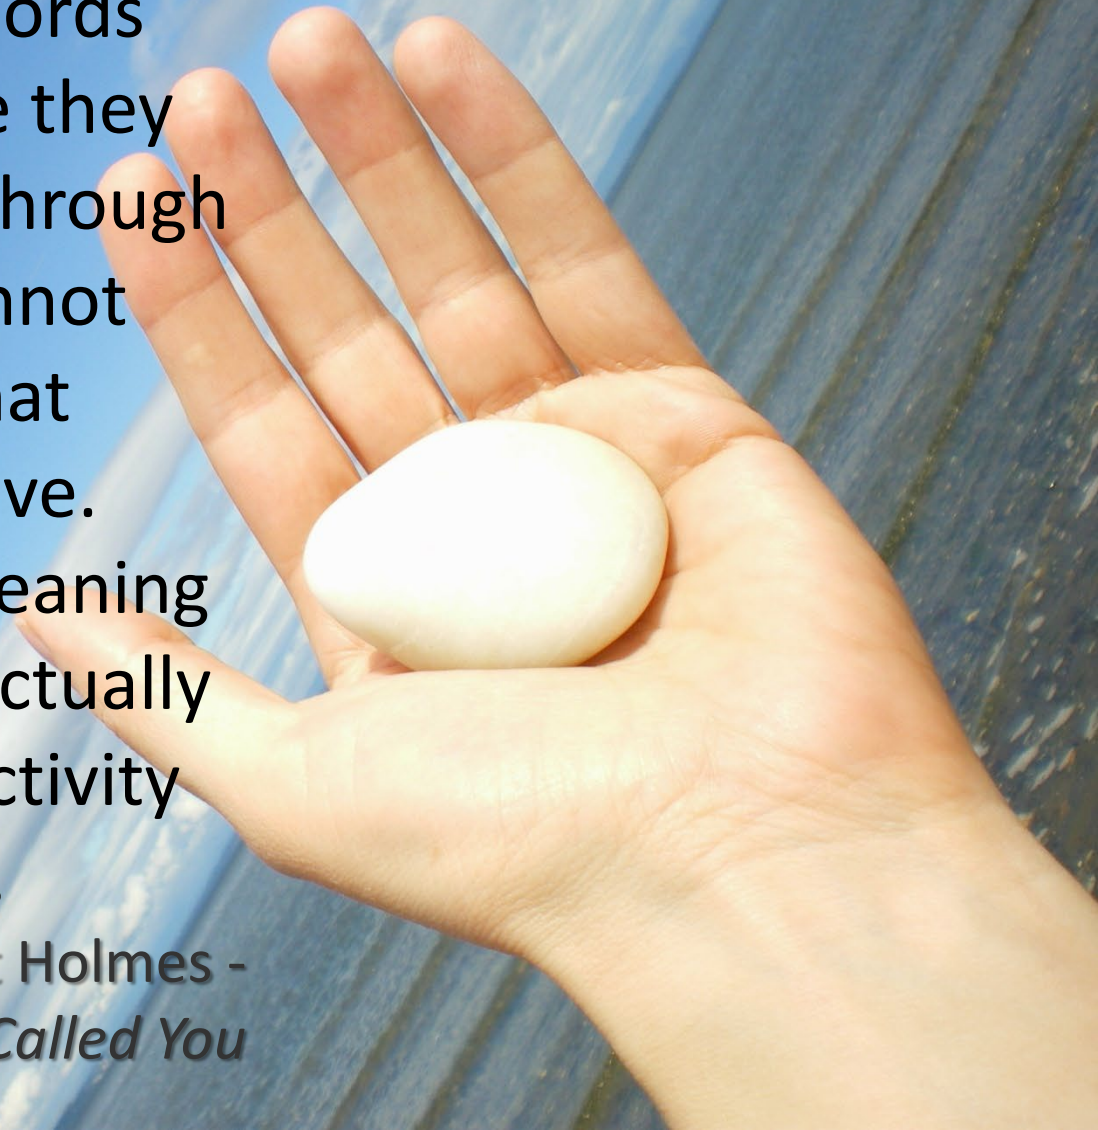

To everyone who conquers, I will give some of the hidden manna, and I will give a white stone, and on the white stone is written a new name that no one knows except the one who receives it.

Rev. 2.17

Words are molds into which the creative substance of your consciousness flows. Words *without* meaning, while they may have some effect through constant repetition, cannot have the same effect that words *with* meaning have. Your words will have meaning in such degree as you actually feel that they are the activity of the Spirit within you.

On the White Stone
is written a new Name

...

A hand is shown holding a white egg, with the background being a clear blue sky. The text is overlaid on this image.

My new name points me to new life in 2023. I am willing to fulfill its meaning. I allow my name to help me make conscious choices in uncertain times. My new name opens my awareness to its true essence. It guides my ego to a higher way of being. As I live this name, I welcome a new beginning, filled with infinite potential. The Great I Am is the one and only Power in my name and in my life, and all things are possible. Through the Power of the I AM, I am now (name). So it is, and so I allow it to be.

I will Change Your Name

DJ Butler

I will change your name
You shall no longer be called
Wounded, outcast
Lonely or afraid

I will change your name
Your new name shall be
Confidence, joyfulness
Overcoming one
Faithfulness, friend of God
One who seeks my face.

A close-up photograph of a person's hand holding a single white egg. The hand is positioned in the lower right quadrant of the frame. The background is a bright blue sky with wispy white clouds, and a portion of a wooden surface is visible in the bottom right corner. The entire scene is framed by a white double-line border.

**The Great I Am
is the one and only Power
in my name and in my life,
and so I allow it to be.**
