Life After Death

**What happens at
the time of death?**

**Is there
a Heaven?**

**Is there
a Hell?**

**If no Hell,
what happens to bad people?**

**Some souls whose
influence over their body
is too weak to turn aside
human impulse to harm others,
go into seclusion upon
re-entering the Spirit world.**

Michael Newton – *Journey of Souls*

**If no Hell,
what happens to bad people?**

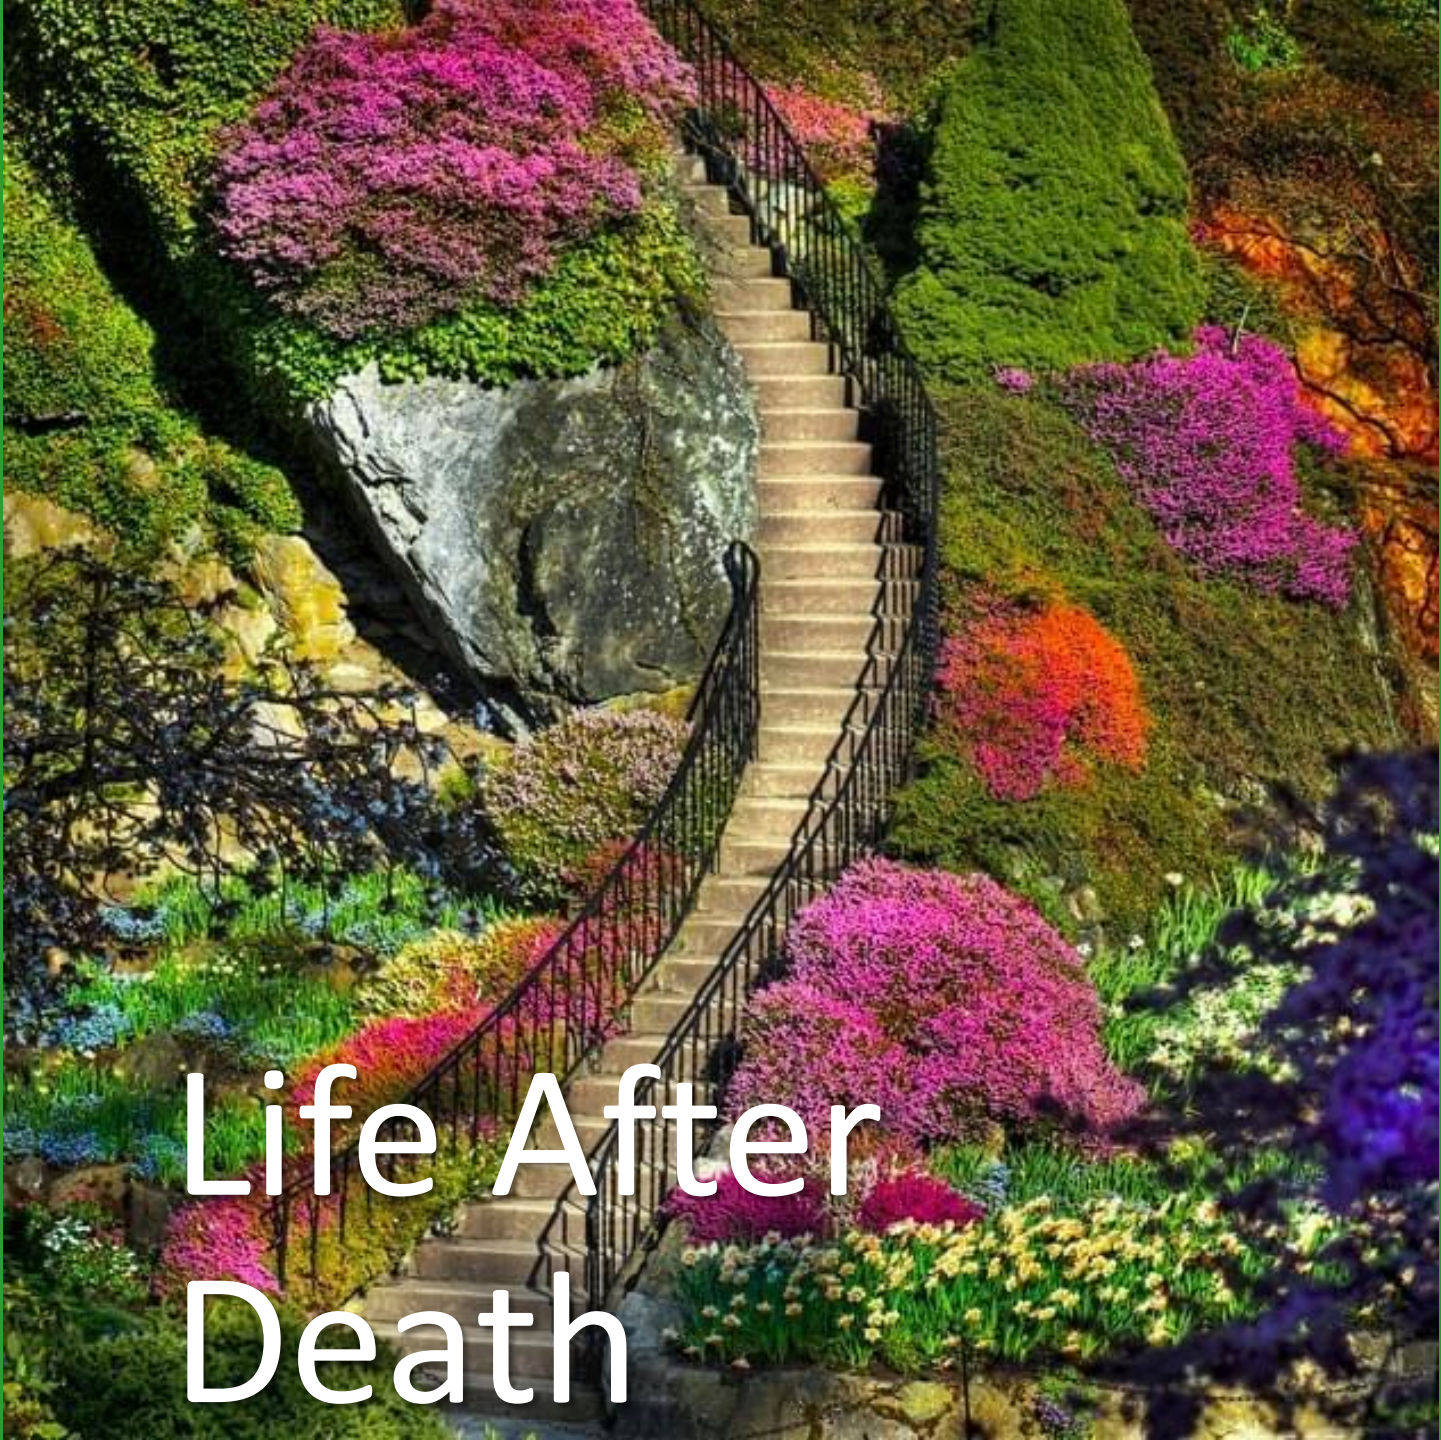

Life After Death

Do we meet God?

Yes, you are an aspect of God, a thumb-print of the Divine, and so in essence you and God are one and the same. Like a drop of water in the ocean: Is it a drop of water, or is it the ocean? Each individual drop creates the ocean, just as each individual soul creates the Divine. So in truth, you have already met, because you are one in the same.

DO WE MEET GOD...

It's the pinnacle of everything there is. Of energy, of love especially, of warmth, of beauty.
