

*Healing the Mother of Unity*

**I am a child of God  
and therefore, I do  
not inherit sickness.**

Life is simply a form of energy and has to be guided by our intelligence. How do we communicate intelligence? By thinking and talking of course. Then it flashed upon me that I might talk to the life in every part of my body and have it do just what I wanted. I went to all the life centers in my body and spoke words of Truth to them. I did not let any worried or anxious thoughts into my mind, and I stopped speaking gossipy, frivolous, petulant, angry words. I did not become discouraged at the life centers being slow to wake up, but kept right on declaring the words of Truth, until the organs responded.

*Healing the Mother of Unity*

**The daily repetition of prayers is not necessary to reach God, but rather to hold your own minds and hearts steady, until the thing you require is more real to you than the appearance to the contrary.**

*Healing the Mother of Unity*

**There are not enough actions in the world to compensate for Vibrational resistance. When you understand that you are a Vibrational Being, first and foremost - and that your dominant intention becomes that of tuning your frequency to that of the Source within you - you will provide the perfect basis for the cells of your physical body to thrive.**

**That God is Life and Substance is no longer a theory, but His presence has become to us a mental visibility and we know and feel the power of the Divine Word as plainly as one having hold of the wires of a great battery.**
