METAPHYSICS –

A study of the Ultimate Reality beyond the physical realm which asks questions: What is the nature of Being and of the Spiritual Universe? In Unity we study the Realities that are True concerning the inner life of every human being. We ask such questions as: What is the nature of God and humankind and what is the relationship between the two?

Paul Hasselbeck – *Heart-Centered Metaphysics*

H. Emilie Cady – 1848 - 1941

God is Spirit or the creative energy that is the cause of all visible things; the invisible life and intelligence underlying all physical things. There could be no body, or visible part, to anything unless there were first Spirit as creative cause.

Emilie Cady – *Lessons In Truth*

“Do I not fill heaven and earth?”
declares the Lord.

Jer. 23.24

Hell is not a physical place but the state of those who freely and definitively separate themselves from God.

Pope John Paul II

The science of Truth is God thinking out creation. God is omnipresent Mind enfolding and interpenetrating all things. God must be in the Universe as everywhere-intelligent power; otherwise it would fall to pieces.

Charles Fillmore

God lives within every created thing as
the life, the ever-renewed, re-creating,
upbuilding cause of it.

Emilie Cady – *Lessons In Truth*

**Stand forth out

Our path doesn't take us to God. It is a path God is taking to experience Itself.

Rev. Ed Townley

Spirit of Truth is lying latent within every human being only waiting to be led forth.

Emilie Cady – *Lessons In Truth*

The more God comes into visibility through a person, the more individualized he becomes. Remember, God is wisdom, intelligence, love, power. The more pronounced the manner in which any of these qualities comes forth into visibility through humankind, the greater our individuality.

Emilie Cady – *Lessons In Truth*

There is no limit to the Source of our being, nor to His willingness to manifest more of Himself through us. The only limit is in our knowledge of how to draw from the fountain.

Emilie Cady – *Lessons In Truth*
