We learned that the real **substance** within everything we see is God, that all things are one and the same Spirit in different degrees of manifestation, that all the various forms of **life** are just the same as one life come forth out of the invisible into visible forms, that all the **intelligence** and all the wisdom in the world are God as wisdom in various degrees of manifestation, that all the **love** that people feel and express toward others is just a little of God as love come into visibility through the human form.

**POLLUTED WATER
AFTER PRAYER**

If your eye is healthy, your whole body will be full of light; but if your eye is unhealthy, your whole body will be full of darkness.

Matt. 6.22-23

If you do not doubt in your heart, but believe that what you say will come to pass, it will be done for you.

Mk. 11.23

The thinking faculty in humankind makes each person a free agent, because it is our creative center; in and through this one power, we establish our consciousness - we build our world.

Charles Fillmore – *Keep A True Lent*

All that we are is the result of what we have thought.

The Buddha

Try thinking true, right thoughts awhile and see what the results will be. Take the thought “God loves me” and think the words over and over continually for a few days, trying to realize that they are true, and see what the effect will be on your body and circumstances.

H. Emilie Cady – *Lessons In Truth*

First you get a new exhilaration of mind, then a quicker, better circulation of blood, with a sense of a pleasant warmth in the body, followed by better digestion. Later, as Truth flows out through your being into your surroundings, everybody will begin to manifest a new love for you without your knowing why; and finally, circumstances will begin to change and fall into harmony with your desires, instead of being adverse to them.

H. Emilie Cady – *Lessons In Truth*

**There is no evil power –
there is only one Power,
God, the Good.
There is nothing in the
Universe to fear.**

There is no absence of life, substance and intelligence. Since God is Omnipresence, it follows that there can be no absence of Good in our universe.

Truth is everywhere-present and nothing can keep us from knowing it.

Limitation is not of God's design.

God's loving Universe is always working for our good.

Sickness is not my Reality.

Divine Life is the essence of my being.

To set the mind on the flesh is death,
but to set the mind on the Spirit
is life and peace.

Rom. 8.6

I have set before you life and death,
blessings and curses. Choose life so that
you and your descendants may live.

Deut. 30.19
