FAITH

**I have faith in my
ability to do all I
need to today.**

You will decide on a matter and it will be established for you.

Job 22.28

All things can be done for the one who believes.

Mark 9.23

H. Emilie Cady – 1848 - 1941

God is...

SUBSTANCE

LIFE

INTELLIGENCE

LOVE

Omnipresence

Omnipotence

omniscience

Faith is the **perceiving power of the mind** linked with the **power to shape substance**. It is a force that draws to us our heart's desire right out of the invisible spiritual substance. It is a deep inner knowing that that which is sought is already ours for the taking.

Charles Fillmore – *The Revealing Word*

God will give you the desires of your heart.

Psalm 37.4

The only way God has of letting us know of His infinite supply and His desire to make it ours is for Him to push gently on the divine spark living within each one of us. He wants you to be a strong, self-sufficient person, to have more power and dominion over all before you; so He quietly and silently pushes a little more of Himself, His desire into the center of your being. He enlarges your real Self, and at once you become conscious of new desire to be bigger, grander, stronger. Desire is the “thing” itself in incipiency.

H. Emilie Cady – *Lessons in Truth*

People inclined to dwell on thoughts of pain, sorrow, troubles of the past or present need to deny more often. **Denials** are also for those who are hard, intolerant, aggressive, arrogant, selfish or unforgiving.

H. Emilie Cady – *Lessons in Truth*

- Sickness has no power over me.
- That person cannot keep me from my good.

Affirmations are good for the timid, those who give in easily, fear others, are subject to anxiety, doubt or negativity.

H. Emilie Cady – *Lessons in Truth*

- I am now guided to my right and perfect employment.
- I have all I need to be successful.

1.

**God is Life, Love, Intelligence,
Substance, Omnipotence,
Omniscience, Omnipresence.**

This appearance of weakness is not of Spirit. God, manifest as life, wisdom and power is now flowing into my entire being and out through me to the external.

H. Emilie Cady – *Lessons in Truth*

3.

**I am Spirit, perfect, holy,
harmonious. Nothing can hurt me
or make me sick or afraid, for
Spirit is God, and God cannot
be hurt or afraid.**

**I manifest my real Self
through this body now.**

4.

**God works in me to
will and to do what is
for the highest good and
God cannot fail.**

FAITH

**I have faith in my
ability to do all I
need to today.**

Prayer is an active acceptance of
God's highest willingness,
recognizing spiritual law and putting
ourselves in alignment with it.

Ernest Holmes – *Science of Mind*
