

*Our Inalienable
Rights and Powers*

We hold these truths to be self-evident, that all men are created equal, that they are endowed by their Creator with certain unalienable Rights, that among these are Life, Liberty and the pursuit of Happiness.

Preamble to Declaration of Independence

“INALIENABLE”

**Can't be given or taken away
or separated from.**

**God did not give us a spirit of fear,
but rather a spirit of power
and of love and of self-discipline.**

2 Tim. 1.7

**The thinking faculty in humankind
makes each person a free agent,
because it is our creative center;
in and through this one power,
we establish our consciousness –
we build our world.**

Using our Inalienable Spirit of

Power

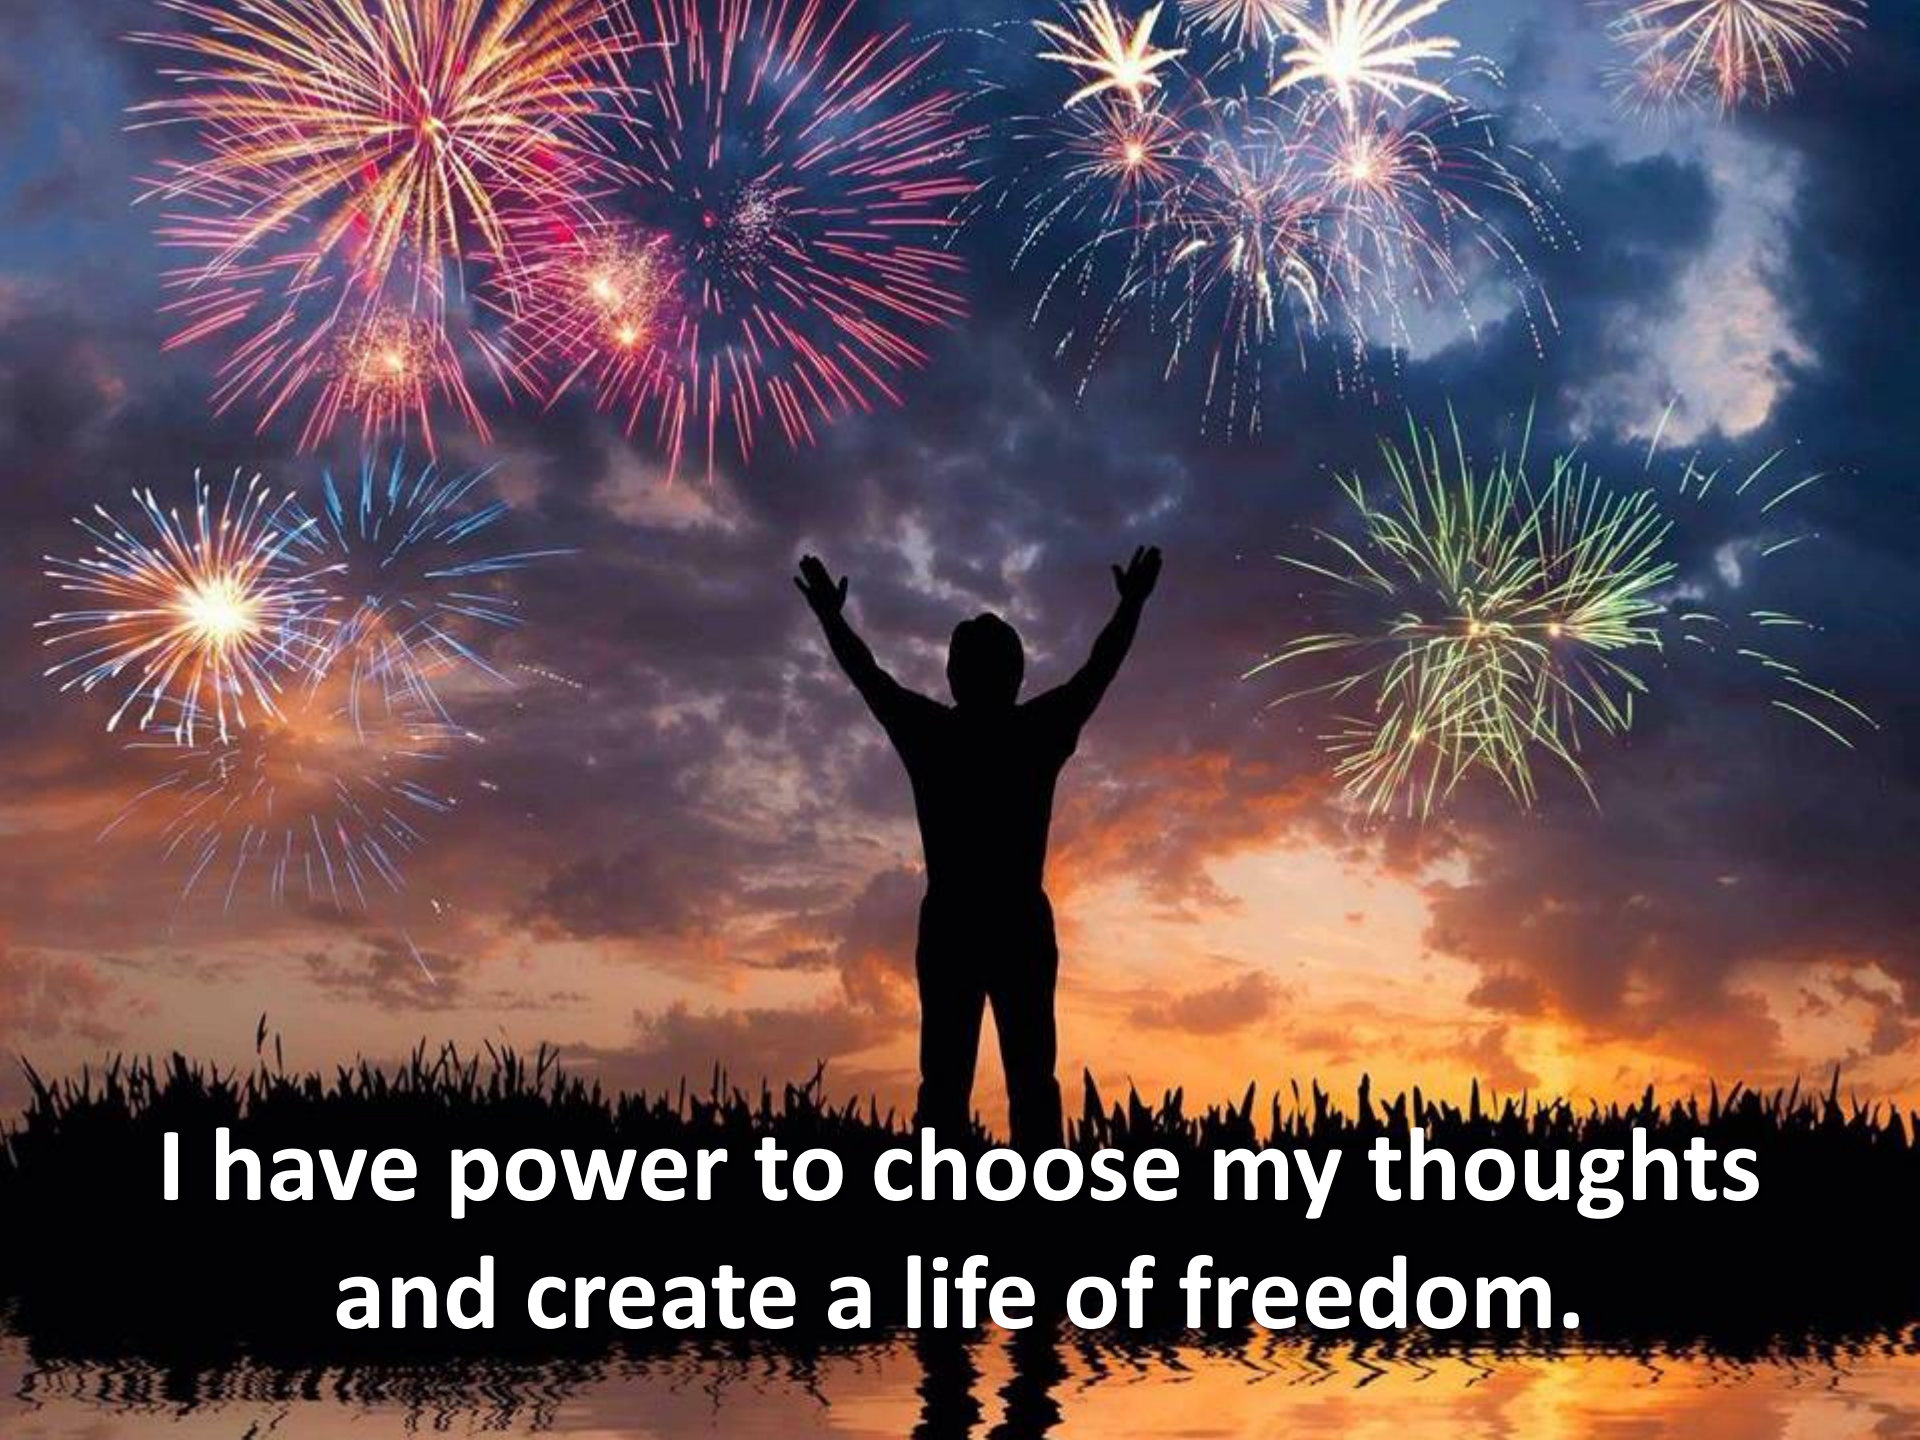

Trust Spirit in all things. You have learned not to trust other humans, and at times this is well warranted, for many is the human who has shut off their awareness of their inner guiding Light. But this Light is within you. In point of fact, it is You at your deepest level. As you come to know this, the web of interconnections of which you are a part reveals itself. Trust the web to support you. Trust that all is well no matter what.
