**The will is the executive faculty of the mind, the determining factor in man. It is the avenue through which the I AM expresses its potentiality. The will is the directive power that determines character formation. The use of the will is very important in making demonstrations. One must be very persistent since persistence is essential to demonstration. The will must resolutely lay hold and keep hold of the word of Truth until the word becomes flesh.**

Charles Fillmore – *The Revealing Word*

**The secret of success of every person who has been successful lies in the fact that they formed that habit of doing things that failures don't like to do.**

# What Is God's Will?

**God's will is that each species of creation shall fulfill itself, according to its own divine image or pattern.**

Vera Tate Dawson – *Take Command!*

**THE will is the universal ideal of eternal life, infinite love, ever-present wisdom, and all that is good prevailing. When we align our will with THE will it is for the universal ideal to permeate the stuff and circumstances of our human existence.**

Matt. 7.13-14

**In giving way to God, in being willing to relinquish the personal will, we find ourselves infilled, refreshed, renewed, and strengthened. We find that we have not given up our will; rather, we have reinforced it with God.**

Martha Smock – *Halfway Up the Mountain*
