All growth starts at the end of your comfort zone.

Tony Robbins

There is no perfection, for that would indicate an end state. Rather there is ongoing evolution as well as involution. You can strive all you want for perfection, but you will never get there, for such a state does not exist. There are simply greater and greater states of being.

Suzanne Giesemann – Awakened Way

If you do not bring forth what is within you, what is within you will destroy you.

Gospel of Thomas

My comfort zone is like a little bubble around me, and I've pushed it in different directions and made it bigger and bigger until these objectives that seemed totally crazy eventually fall within the realm of the possible.

Charles Fillmore – *The Revealing Word*

Let the same mind be in you that was in Christ Jesus.

Phil. 2.5

Knowing My True Self

The only **Presence** in this Universe and beyond is God, the good.

The only **Power** working in my life is the all-loving goodness of God.

The only **Source** of my supply is God, my instant, constant, abundant good.

The only **Mind** is divine Mind. My hesitation fades when I heed guidance from the Mind of God within.

Knowing My True Self

I live, move and have my being in and as this Presence, this Power, this Source, and this Mind – in God all things are possible.

I am an expression of the one Presence – I am spirit, I am eternal, I am unlimited.

I grow in HEALTH as I know my True Self.

I grow in WEALTH as I know my True Self.

I grow in WISDOM as I know my True Self.

Our Path to Growth

Lao Tzu – *Tao Te Ching*

- 2. To control my lower self

Callie Clemons
