

**There is only
one Presence and one Power
In the Universe and in my life...
the all-loving Goodness of God.**

Envision

DAILYWORD

**Without a vision,
the people perish.**

Prov. 29.18

Envision

DAILYWORD

You want the desire because it is the idea or the goal or the Creation that is responsible for a good amount of Life Force to flow through you. The main event is the Life Force that is flowing through you, not the manifestation. And if you don't believe us now, wait until that manifestation has popped, and realize that its power to draw life through you will be greatly diminished. That's why you keep wanting another goal and another goal and another goal.

Esther Hicks – Daily Quote

Envision

DAILYWORD

1. Desire

D

**Take delight in the Lord and
He will give you the
desires of your heart.**

Ps. 37.4

through our thoughts,
feelings and beliefs.**

Unity's Third Principle

In order for the light of the Creator to be revealed, there must be a vessel to receive it. The name of that vessel is certainty and the level of light revealed depends on the strength of that certainty. It is only the vessel that limits the amount of Light manifested.

Michael Berg – *Becoming Like God*

“Envision” Process

1. Desire
2. Conscious use of the Law
3. Picturing Power

D

**Let your eye be single
and your whole body
will be full of light.**

Matt. 6.22

Thinking happy thoughts, expecting good, and opening yourself to God-ideas will set the stage for harmonious, prophetic images on the screen of your mind. This is to be so at one with the Source that we see with the eyes of Spirit. Fillmore suggests "seeing God as the foundation of all, the source of all, and the substance of all...seeing the good, the true and the beautiful everywhere."

Winifred Hausmann – *Your God-given Potential*

If you don't take time to line up the Energy, if you don't find the feeling place of what you're looking for, no amount of action in the world will make any difference.

Esther Hicks – *Daily Quote*

3. Picturing Power
4. Feeling

D

After you've assumed the feeling of the wish fulfilled, do not close the experience as you would a book, but carry it around like a fragrant odor. Let it remain in the atmosphere, communicating its influence automatically to your actions and reactions. A mood often repeated gains a momentum that's hard to break.

Matt. 4.4

Everything I could ever want to happen in my life already exists in that infinite, nonphysical plane. My only task is to expand my earthly self enough to let it into this realm. So if there's something I desire, the idea isn't to go out and get it, but to expand my own consciousness to allow universal energy to bring it into my reality here.
