# A New Name

Let anyone who has an ear listen...

To everyone who conquers, I will give some of the hidden manna, and I will give a white stone, and on the white stone is written a new name that no one knows except the one who receives it.

Rev. 2.17

Words are molds into which the creative substance of your consciousness flows. Words *without* meaning, while they may have some effect through constant repetition, cannot have the same effect that words *with* meaning have. Your words will have meaning in such degree as you actually feel that they are the activity of the Spirit within you.

Ernest Holmes -  
*This Thing Called You*
