

Break Out the Light!

Jesus, it is believed, brought about the reconciliation between a remote external God, long displeased by the disobedience of His first children and the unregenerate flock of humankind, by taking upon himself the entire weight of human sin through his sacrificial death on the Cross.

April Moncrieff – Principles of New Thought

Then Jesus cried again with a loud voice and breathed his last. At that moment the veil of the Temple was torn in two, from top to bottom. The earth shook, and the rocks were split.

Matt. 27.50-51

CRUCIFIXION is...

the crossing out in consciousness of errors that have become fixed states of mind; the surrender of the personality so the Christ Mind may be expressed in all its fullness. We deny the human self so that we may unite with the selfless. We give up the mortal so that we may express the immortal. We dissolve the thought of the physical body so that we may realize the spiritual body.

Charles Fillmore – *The Revealing Word*

If you grasp and cling to life on your terms, you'll lose it, but if you let that life go, you'll get life on God's terms.

Luke 17.33

**Our birth is but a sleep
and a forgetting.**

William Wordsworth

Our humanity is but the degree to which we have given expression to our divinity. We are human in expression but divine in creation and limitless in potentiality.

Eric Butterworth – *Discover the Power Within You*

Guided by the Christ within
I cross out the mistaken belief
that there are two powers in the world...
good and bad.

**I BREAK OUT THE LIGHT
AND REMEMBER...**

**There's only One Power working in my
life...the all-loving goodness of God.**

Guided by the Christ within
I cross out the mistaken belief
that I am separate and alone.

**I BREAK OUT THE LIGHT
AND REMEMBER...**

**God is everywhere present,
providing for every need.**

Guided by the Christ within
I cross out the mistaken belief
that the past or the future
has power over me.

**I BREAK OUT THE LIGHT
AND REMEMBER...**

**Divine Love is working for my good
and NOW is the time to trust It.**

Guided by the Christ within
I cross out the mistaken belief
that I must fit in and
be like everyone else.

**I BREAK OUT THE LIGHT
AND REMEMBER...**

**With every desire of my heart
comes the divine potential to fulfill it.**
