Path of Divine Potential

THE CIRCLE

**The nature of God is a circle of
which the center is everywhere
and the circumference is nowhere.**

Empedocles – 5TH Century BC

**All things came into being through
the Word of God and without it not
one thing came into being.**

John 1.3

**Life is the perpetual flowing forth
into visibility of the unlimited
energy of Spirit, and we can have
as much as we will claim.**

Connie Fillmore

**God is the Sun of my existence
– an infinite, eternal circle of
wholeness, oneness, perfection,
our center, our source of life
and light and the potential for
all things to exist.**

In our prayer time we should have only one purpose: to attain conscious oneness with God, because this consciousness, this awareness of our oneness with God, is our supply, our peace, our health.

Matt. 6.33

I gratefully thank you,
O Living and Eternal King
You have returned my soul within me
with compassion
Abundant is your faithfulness

A Jewish Morning Prayer

Blessed are You, Lord our God, King of the Universe
who brings sleep to my eyes and slumber to my eyelids.
May it be your will, Lord my God, and God of my
ancestors, that I lie down in peace, and that I arise in
peace.

A Jewish Evening Prayer
