

Path of Divine Potential

The Spirit of the Lord is upon me, because he has anointed me to bring good news to the poor. He has sent me to proclaim release to the captives and recovery of sight to the blind, to let the oppressed go free, to proclaim the year of the Lord's favor.

Luke 4.18

Then Jesus summoned his twelve disciples and gave them authority over unclean spirits, to cast them out. As you go, proclaim the good news: The Kingdom of heaven has come near.

Matt. 10.1

True healing is threefold: spiritual, mental, and physical. A person cannot be truly whole if one of these parts is ailing, as all are inextricably linked. **The way to healing is first to re-educate the mind and to establish the presence of Truth in all the faculties.**

Connie Fillmore

The ways of the kingdom I am bringing into this world will not fit into old containers or frameworks.

The Chosen

And no one puts new wine into old wineskins; otherwise the new wine will burst the skins and will be spilled, and the skins will be destroyed. But new wine must be put into fresh wineskins.

Luke 5.37

Be transformed by the renewing of your minds, so that you may discern what is the will of God...what is good and acceptable and perfect.

Rom. 12.2

Leaders continually seek to improve performance, both their own and their team members. The one reason executives fail at GE is they stop learning. The job grows, the accountability grows, and the people don't grow with it. Continuous learning is so valued that GE training courses are considered high-profile rewards. Getting tapped to go to their executive training center is a signal that someone is poised to go to the next level.

William Conaty

Whatever else you get, get understanding.

Prov. 4.7

Happy are those who find wisdom, and those who get understanding, for her income is better than silver and her revenue better than gold.

Prov. 3.13-18

Hidden Messages in Water – Masaru Emoto

There are many ways to approach this Reality, Life Itself. Learning more about the world we live in is just another way of learning more about the unseen or spiritual cause of our life and the way it works. As we enlarge our thinking, we can enlarge our concept of God. So in order not to have our thinking limited by what we may have previously thought, or influenced by what others may say or think, we start out with a new set of ideas and concepts which are unfettered and free to grow and develop.

Ernest Holmes – *A New Design for Living*
