

We hold these truths to be self-evident, that all men are created equal, that they are endowed by their Creator with certain unalienable Rights, that among these are Life, Liberty and the pursuit of Happiness.

Declaration of Independence

You've heard it said, "You shall not murder;" and "whoever murders shall be liable to judgment." But I say to you that if you are angry with a brother or sister, you will be liable to judgment.

Matt. 5.21-22

We but mirror the world. All the tendencies present in the outer world are to be found in the world of our body. If we could change ourselves, the tendencies in the world would also change. As a man changes his own nature, so does the attitude of the world change towards him. This is the divine mystery supreme. A wonderful thing it is and the source of our happiness. We need not wait to see what others do.

- Mahatma Gandhi

**We create our life experience through
our thoughts, feelings and beliefs.**

Unity's Third Principle

**Let it be done to you
as you believe.**

Jesus

**As a man thinks in his heart,
so is he.**

Proverbs 23.7

Everything can be taken from a man but one thing: the last of the human freedoms – to choose one's attitude in any given set of circumstances, to choose one's own way.

- Viktor Frankl

About midnight Paul and Silas were praying and singing hymns to God, and the other prisoners were listening to them. Suddenly there was such a violent earthquake that the foundations of the prison were shaken. At once all the prison doors flew open, and everyone's chains came loose.

- Acts 16.25-26

METAPHYSICAL INTERPRETATION

...praying and singing hymns to God

- a conscious connection with the great Source of energy, Divine Mind, which has no consciousness of opposition. Spiritualized mind forces are pure and joyful. This dynamic power shatters error forces, giving spiritual Will and Understanding greater freedom of expression. No external condition or circumstance can hold the soul of man in bondage when he makes mental contact with God. If you want freedom to come into your life, begin to rejoice in the things that you know about the goodness of God. Begin to praise God for the abundance of all things. Your words will crack the omnipresent ethers and good will flow to you from every direction.

When it was daylight, the magistrates sent their officers to the jailer with the order: “Release those men.” The jailer told Paul, “The magistrates have ordered that you and Silas be released. Now you can leave. Go in peace.” But Paul said to the officers: “They beat us publicly without a trial, even though we are Roman citizens, and threw us into prison. And now do they want to get rid of us quietly? No! Let them come themselves and escort us out.” The officers reported this to the magistrates, and when they heard that Paul and Silas were Roman citizens, they were alarmed. They came to appease them and escorted them from the prison, requesting them to leave the city.

– Acts 16.35-39

Your true nature is so great, it cannot be fully actualized into our world. The depths of abundance exist within you. You do not need to turn to the things of the world to find your richness. Worth already belongs to you. Freedom and power are our true inalienable nature! Spirituality is about allowing that true nature, knowing it, and becoming it – not just about the nature of the forms or constraints that life expresses through. And as you know that, you are able to then bring that to those around you in important physical and tangible ways. Listen to the richness of your Being beneath all the earthly conditioning, and allow yourself to know this while you are human, so your physical experience can be that much more one of joy!

– Christian Sundberg – *A Walk in the Physical*

**Now the Lord is the Spirit,
and where the Spirit of the
Lord is, there is freedom.**

2 Cor. 3.17

**Standing first in a
consciousness of liberty,
I know I AM ONE with the
fullness of God.**

**I can never be separate from
the Supreme Intelligence that
guides my steps on my
perfect path of freedom.**

Despite all circumstance, I am never held back from God's infinite supply, which only waits for my faith and imagination to call it into manifestation.

And even in the face of the darkest hatred, I choose to become the Way of God. Looking through the eyes of Spirit, I choose to see good, allowing Divine Love to free us all from our shackles.

**Shining as a beacon of
self-evident Truth, I now
freely and fully embody my
inherent Divine Rights of
Life, Liberty and the
expression of Happiness.**
