New Thought Philosophy

We have access to the realm of
rich ideas; we enrich our
consciousness by incorporating
these rich ideas into it.
A rich consciousness always
demonstrates prosperity.

how do you
receive life?

Receive:
to aquire
to posses
to act as a container
to bear
to be given
to suffer

How much
good can
you take?

People say that money is not the
key to happiness, but I always
figured if you have enough money,
you can have a key made.

Joan Rivers

how do you
release life?

Release:
to set free
to allow
to surrender
to relinquish
to disengage

Let things go. Release them.
Detach yourself from them. Stop
turning on your emotional
television to watch the same
program over and over again, the
one that shows how much you
suffered from a certain loss: that
is only poisoning you, nothing
else.

– *Paulo Coelho*

how do you
repeat life?

I cannot express how important it is to believe that taking one tiny – and possibly very uncomfortable – step at a time can ultimately add up to a great distance.
