

A close-up photograph of a Christmas tree branch with dark green needles. The background is filled with numerous out-of-focus, warm-toned lights (yellow and orange) that create a bokeh effect. The text "Mystic Christmas" is written in a white, cursive font across the lower right portion of the image.

Mystic  
Christmas

We must 'think' as Spirit 'knows' – that we are rich, whole, loved, wonderfully successful. With those thoughts of I AM, in agreement with our Divine Consciousness, we become the Law of Harmony unto our world. Conversely when we pray from the ego's fearful perception of lack, sickness, friction and failure, we are affirming that we 'have not' – and “he that has not, from him shall be taken even that which he has.”

John R Price – *The Jesus Code*

But whenever you pray, go into your room and shut the door and pray to your Father who is in secret; and your Father who sees in secret will reward you.

...for your Father knows what you need before you ask him.

Matt. 6.6-8
