

Jesus' ministry was a spiritual one, and what he was offering them was spiritual freedom, freedom from every kind of materiality.

Joel Goldsmith – *Conscious Union with God*

Nonresistance commands omnipotence.
Nonresistance is God living you in holiest
manifestation.

Imelda Shanklin – *What Are You?*

Nonresistance is the seat of wholeness and
the contact point between heaven and
earth ...between the field of infinite
possibilities and the needs of the particular
situation.

Gary Simmons

– *I of the Storm*

Take some particular word or term or idea into our own consciousness and there, in a state of expectancy, wait for the light to shine on it and reveal its meaning to us. The illumination that comes to us does not improve the world: It only improves our concept of the world, so that we begin to see it more nearly as it really is. Forget the problem, the person, and remember that you are not looking for a solution to the problem, but only turning to the Father for light on that subject. The problem is not out in the world. The problem is a belief in your own thought, and ignorance of what God or the Christ is.

Joel Goldsmith – *Conscious Union with God*

God is the only reality of us. Instead of thinking about your apparent condition, concentrate your attention upon God, that you may become so aware of God's presence and God's perfect pattern of life and God's qualities that you will forget old errors and dissolve the conditions that you have built up from dependence on something outside of yourself.

Myrtle Fillmore – *Healing Letters*

Let the same mind be in you that was in Christ Jesus.

Phil. 2.5

**It is better to win control over yourself
than over whole cities.**

Prov. 16.32
