

A vibrant tropical scene featuring lush green palm fronds framing a bright sun that filters through the canopy, creating a warm, golden glow. The sun is positioned at the top center, with rays of light streaming down through the leaves. The palm leaves are in various shades of green, with some showing signs of aging or damage, adding to the natural feel. The overall atmosphere is serene and celebratory.

**Hosanna!**

Religion that does not promote transformation is no religion at all. There is only one way by which man can achieve the realization and unfoldment of his own divinity (salvation in the truest sense of the word) and that is by bringing about a radical and permanent change for the better in his own consciousness.

Eric Butterworth – Discover the Power Within You

When Jesus used the word “Heaven”, it came from the Greek root that means ***expanding***. He is talking about the expanding potential within the individual. Heaven is the potential of the Spirit in you that is wrapped in your human nature.

Those who went ahead and those  
who followed shouted, “Hosanna!  
Blessed is he who comes in the name  
of the Lord!”

Jesus: Christ in us

People: our thoughts

Hosanna! Laying garments/palms on the way:

Worshipful prayer offered by inner thoughts that are awakening spiritually; prayer for the expansion of the Christ Spirit within the soul of the individual.

When thoughts joyfully obey and give way to higher consciousness and overcome error states of mind.

When difficulties and trials loom ahead, we need the strength and staying power of the Christ within us. It is then most important for us to acknowledge or claim the mind of Christ as our own.

**“The Spirit of the Lord goes before me  
and makes easy and successful my way.”**
