Metaphysical Meaning of
CRUCIFIXION...

The crossing out in consciousness of errors that have become fixed states of mind; the surrender of the personality in order that the Christ Mind may be expressed in all its fullness.

Charles Fillmore – *The Revealing Word*

Then Jesus cried again with a loud voice and breathed his last. At that moment the curtain of the temple was torn in two, from top to bottom.

Matt. 27.50-51

The **Crucifixion** symbolizes the crossing out of all that belongs to the mortal consciousness in order that the way may be made for the coming forth of the Christ self. The veil of sense thought that conceals the spiritual body is rent, and humankind comes into consciousness of the eternal body. The veil was rent to reveal the Truth.

Elizabeth Sand Turner – *Your Hope of Glory*

Metaphysical Meaning of **THE TOMB...**

For us, the tomb represents a high state of consciousness in us in which we improve in character along all lines. We not only grow into a broader understanding but also we increase in vitality and substance. In this state of consciousness, the word of Truth is not idle, but quietly spreading. This process continues until the whole consciousness is vitalized by the Holy Spirit.

Charles Fillmore – *The Revealing Word*

Metaphysical Meaning of **RESURRECTION...**

The resurrection is the raising up of the whole man – spirit, soul and body – into the Christ consciousness of life and wholeness. Every time we rise to the realization of eternal, indwelling life, making union with the Divine Mind, the resurrection of Jesus takes place within us.

Charles Fillmore – *The Revealing Word*

Enter through the narrow gate; for the gate is wide and the way is easy that leads to destruction, and there are many who take it. For the gate is narrow and the way is hard that leads to life, and there are few who find it.

Matt. 7.13-14

Easter is not a passport to another world; it is a quality of perception for this one...a time to take a new look at ourselves and contemplate the Divinity in us, the depths of our own innate God-potential.

Eric Butterworth – *Discover the Power Within You*

**In Unity with
the Divine,
I realize I am
eternal Spirit.**
