

Your Abundant Flow

**By faith we understand that
the worlds were prepared
by the word of God so that
what is seen was made from
things that are not visible.**

Heb. 11.3

Substance is everywhere present, underlies all manifestation and is the spiritual essence, the living energy out of which everything is made. It sustains and enriches any idea that is projected into it. Out of it we form whatever we will according to our faith and understanding. Spiritual realization of divine substance enriches the thought-stuff of the mind. Jesus considered divine substance the treasure field in which He could find the fulfillment of His every need. **The rich substance of the kingdom of God is pouring its plenty perpetually into my mind and affairs, and I am in all ways prospered.**

Charles Fillmore – *The Revealing Word*

**Every good and perfect gift is
from above, coming down from
the Father of the heavenly lights,
who does not change like
shifting shadows.**

James 1.17

Substance cannot be seen, touched, tasted or smelled, yet it is more substantial than matter, for it is the only substantiality in the universe. Its nature is to “sub-stand” or “stand under” or behind matter as its support and only reality.

Charles Fillmore – *Prosperity*

**Do you bring in a lamp to put it
under a bowl or a bed? Instead,
don't you put it on its stand?
For whatever is hidden is meant
to be disclosed and whatever is
concealed is meant to be
brought out into the open.**

Mark 4.21

With the measure you use, it will be measured to you, and even more.

**Whoever has will be given more;
whoever does not have, even what
he has will be taken from him.**

Mark 4.24-25

In all the many ways in which you apply yourself in the world, the Universe owes you complete support. The goal should not be to make money or acquire things, but to achieve the consciousness through which the substance will flow forth when and as you need it.

Eric Butterworth – *Spiritual Economics*

I AM the flow of Substance and so this is how I BEHAVE...

1. I am relaxed because

I know there's always enough

2. I am generous because

I know there's always enough

3. I am joyful because

I know there's always enough

4. I am creative as Divine Ideas
stream through my thoughts

5. I am expectant because

God's good flows through me and as me.

One who keeps conscious that the divine flow is ever centered within him has faith that limitless substance will find expression through him in the form of creative ideas, ingenuity, the will to work, and a security of work opportunities.

Eric Butterworth – *Spiritual Economics*

This Week...

***How will I behave, knowing
God's infinite Substance is
flowing through all things and
there is plenty for everyone?***
