

Your *Abundant Flow* is YOU

Whenever you think about anything, its vibrational content becomes an active part of your vibrational essence – and the subject of your attention begins to move toward you.

Your *Abundant Flow* is YOU

**If we were all living in  
conscious oneness with  
each other, how would  
life be different?**

**If one part suffers,  
every part suffers with it;  
if one part is honored,  
every part rejoices with it.  
Now you are the body of Christ,  
and each one of you is a part of it.**

1 Cor. 12.26-27

The whole is greater  
than the sum of its parts.

For where two or three are  
gathered together in My name,  
I am there in the midst of them.

Mt. 18.20

There are different kinds of working,  
but in all of them and in everyone  
it is the same God at work.
