

Wisdom & Understanding

From Darkness to **LIGHT**

When the quickening of our judgment faculty occurs, we find ourselves discriminating between the good and the evil. We judge righteous judgment we know with an inner intuition and judge from a new viewpoint. The origin of wisdom is in God – all its conclusions are based on Truth, free from prejudice or personal ignorance.

Charles Fillmore –

Twelve Powers in Man

Jesus said...

The Sabbath was made for man,
not man for the Sabbath.

You've heard it said an eye for an eye but
I tell you don't react violently
against one who is evil.

Agree with your adversary quickly,
even before you get to court.

Let he who is without sin cast the first stone.

Stop judging by mere appearances
and make a right judgment.

UNDERSTANDING

I make sense of life from
my highest spiritual perspective.

Wisdom knows, with the great white light of pure knowing. **Understanding knows why**. It puts everything together and comes up with the answers that stand under and support.

Understanding must be closely allied with the Christ or it will be led astray by wrong reasoning and false conclusions.
