All life is God made manifest, and the manifestation varies according to the degree in which God, the breath of life, comes forth into visibility through various forms. Humankind is the fullest, highest form of God manifested as life.

The continual realigning process hinges on cellular communication... from **one cell to another** and Vibrational communication between the **physical and Non-Physical** aspects of those cells. And when you are feeling negative emotion, you are in the state of hindering that cellular communication.

Abraham Hicks – *Getting Into the Vortex*

As you look at the world from the point of view of 'survival', your body responds with tightness, vigilance, and chemicals that eventually tire the body.

John Payne – *Omni Reveals the 4 Principles*

When we are not manifesting life as we desire, it is because our thoughts and our conversation are not in accord with the life idea. Every time we think life, speak life, rejoice in life, we are setting free and bringing into expression in ourselves more and more of the life idea.

Charles Fillmore – *Jesus Christ Heals*

There is within me the perfect pattern of a perfect body. I constantly turn my vision to this body and in accordance with its pattern, my body is strong, vital, alive all over, disease-less and incorruptible. Every cell is illumined by the Divine Life within. The life stream flows peacefully through me. My whole body coordinates with the Divine body to bring its inner perfection into expression.

Frances Foulks – *Effectual Prayer*

I allow the Divine flow of Life to move freely in me. I allow strength and vitality to shine brightly in me. I allow health and well-being to live fully in me.

**Don't change your life.
Change your vibration and
your life will organize itself
beautifully. Expect the best.**

Sonia Choquette

**I fairly sizzle with zeal and enthusiasm
and spring forth with a mighty faith to do
the things that ought to be done by me.**

Charles Fillmore

**The moment I decide to stand in
reverence for my current life,
I stand on holy ground.
I bless my life and it blesses me.
It deepens, expands and grows
fresh cherry blossoms
even on branches I thought had died.**

Tama Kieves – Inspired & Unstoppable

**I am Divine Life
flowing forward in vitality.
I enthusiastically accept my good
and go forward to
achieve my purpose.**
