

Let There Be Peace
...with Challenges

Jesus expressed his divine potential and sought to show humankind how to express ours as well. We see Jesus as a master teacher of universal truths and as our Way Shower. In Unity, we use the term “Christ” to mean the divinity in humankind. Jesus is the great example of the Christ in expression.

The Father has given me all these things to do and say. But I'm not keeping it to myself; I'm ready to go over it line by line with anyone willing to listen. Are you tired? Worn out? Come to me. I'll show you how to take a real rest. Walk with me and work with me - watch how I do it. Learn the unforced rhythms of grace. I won't lay anything heavy or ill-fitting on you. Keep company with me and you'll learn to live freely and lightly.

Matt. 11.27-30

Peace is the condition of harmony and tranquility that comes as a result of knowing our true relation to God.

God is...and all there is is God. This Presence and Power are within me, flowing through me as harmony, health, peace, joy, right action, abundance, true expression and inspiration. I am a clear and peaceful channel for the Divine.

knowing the Christ within will
provide life more abundantly.**
