

Let There Be Peace

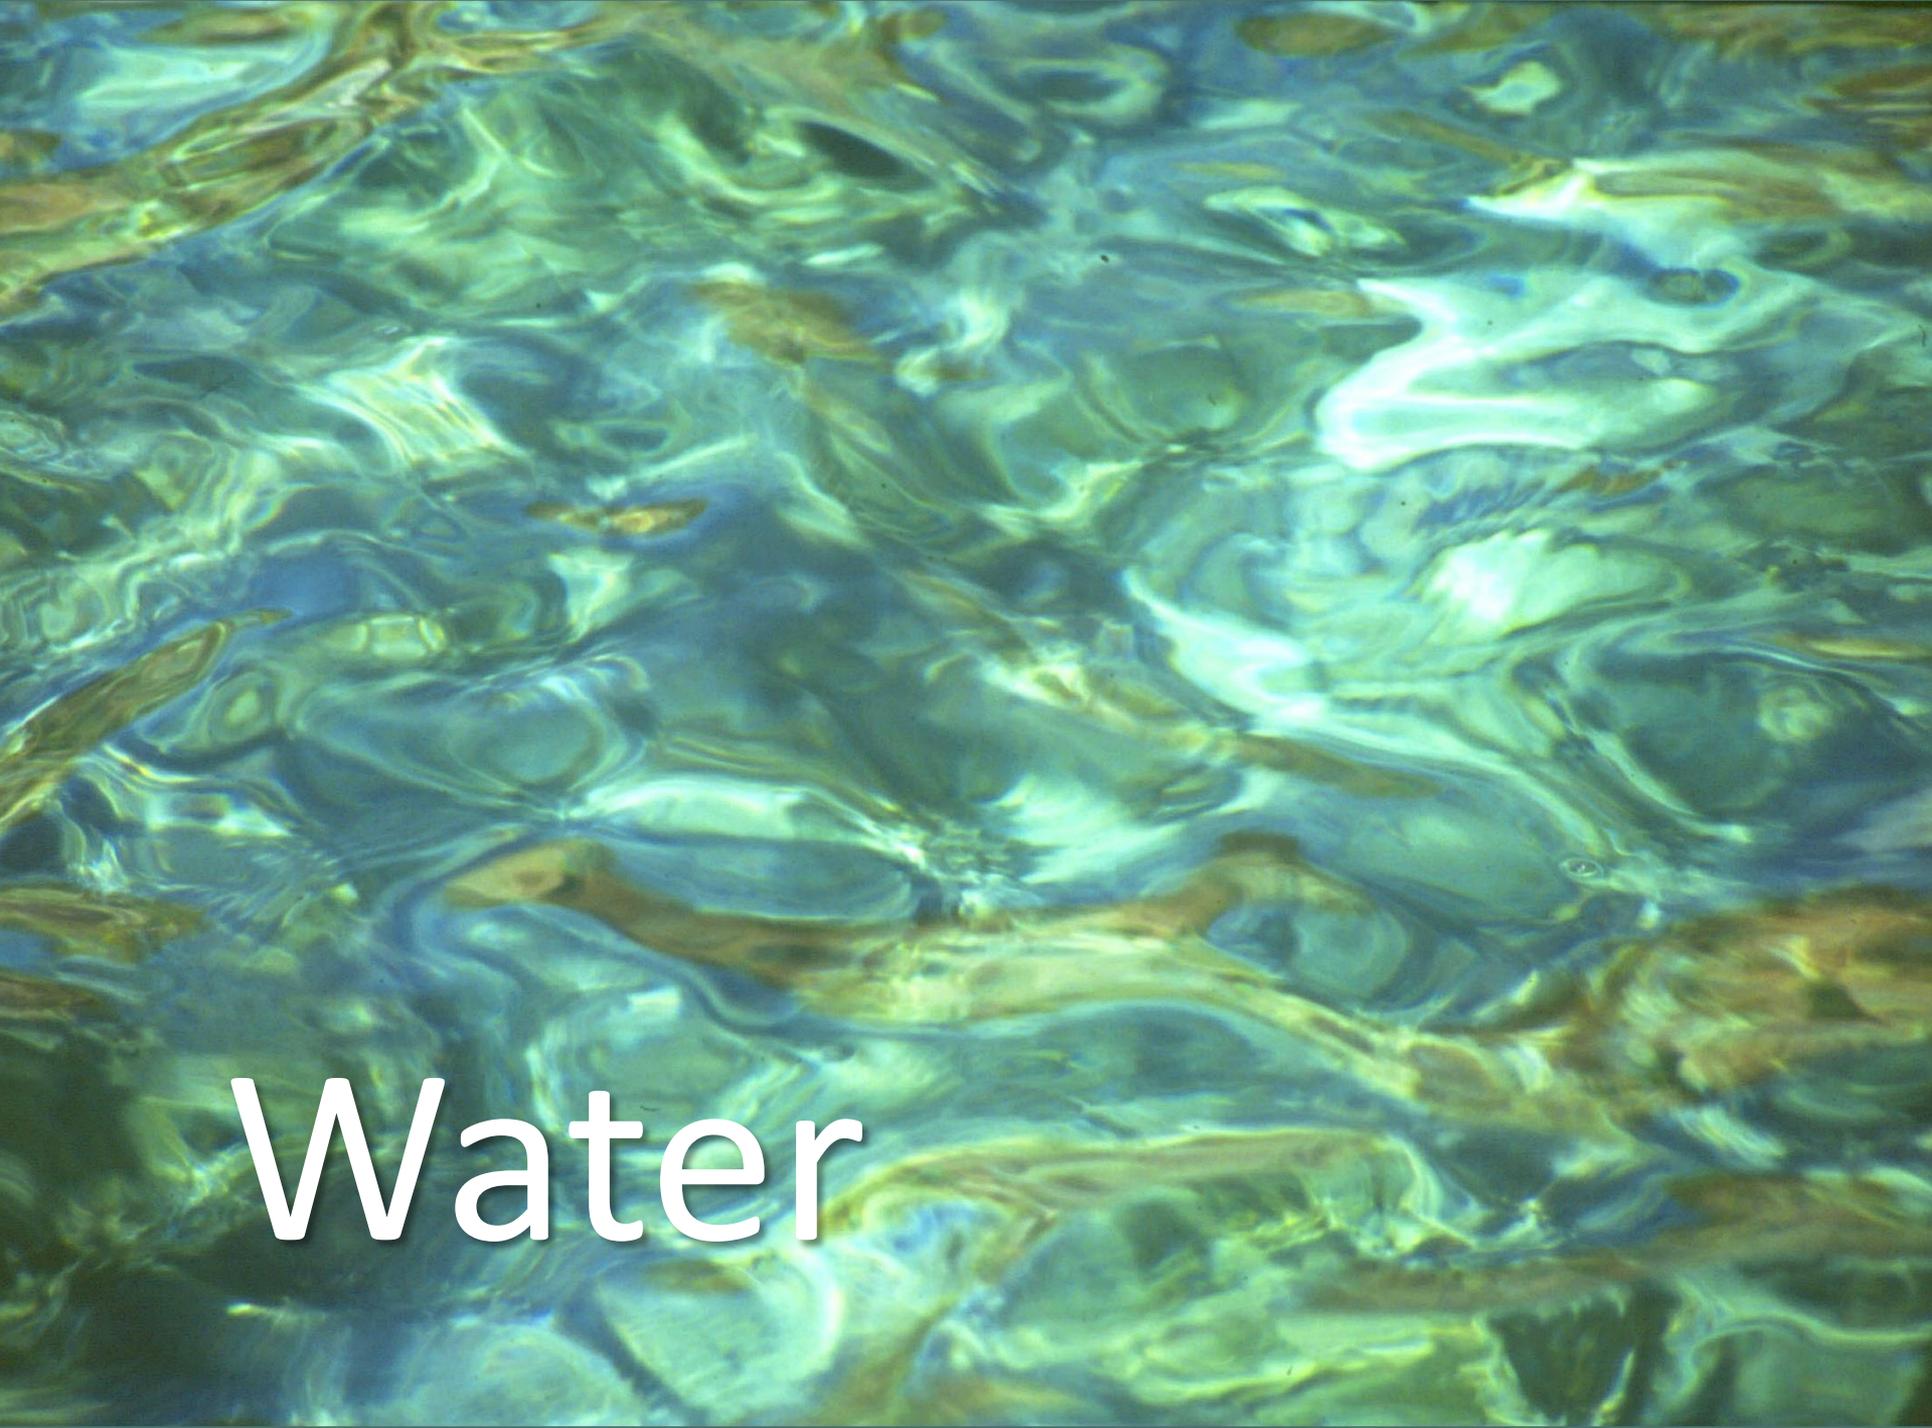

Earth

If you work these words of mine into your life, you are like a smart carpenter who built his house on solid rock. Rain poured down, the river flooded, a tornado hit - but nothing moved that house. It was fixed to the rock. But if you don't work them into your life, you are like a foolish carpenter who built his house on the sandy beach. When a storm rolled in and the waves came up, it collapsed like a house of cards.

Matt. 7.24-27

**I am securely grounded
in Earth's firm foundation.
The Power of God
beneath and throughout me
is my Source of strength.**

Water

**Water cleanses me
of sorrow, fear, and doubt.
I flow freely into the
New Year with an open heart.**

**Water cleanses me
of sorrow, fear, and doubt.
I flow freely into the
New Year with an open heart.**

Air

**Air...clear my mind
and bring fresh perspective.
I breathe in inspiration
and breathe out all that
no longer serves me.**

Fire

I free this Desire to come into the Light.

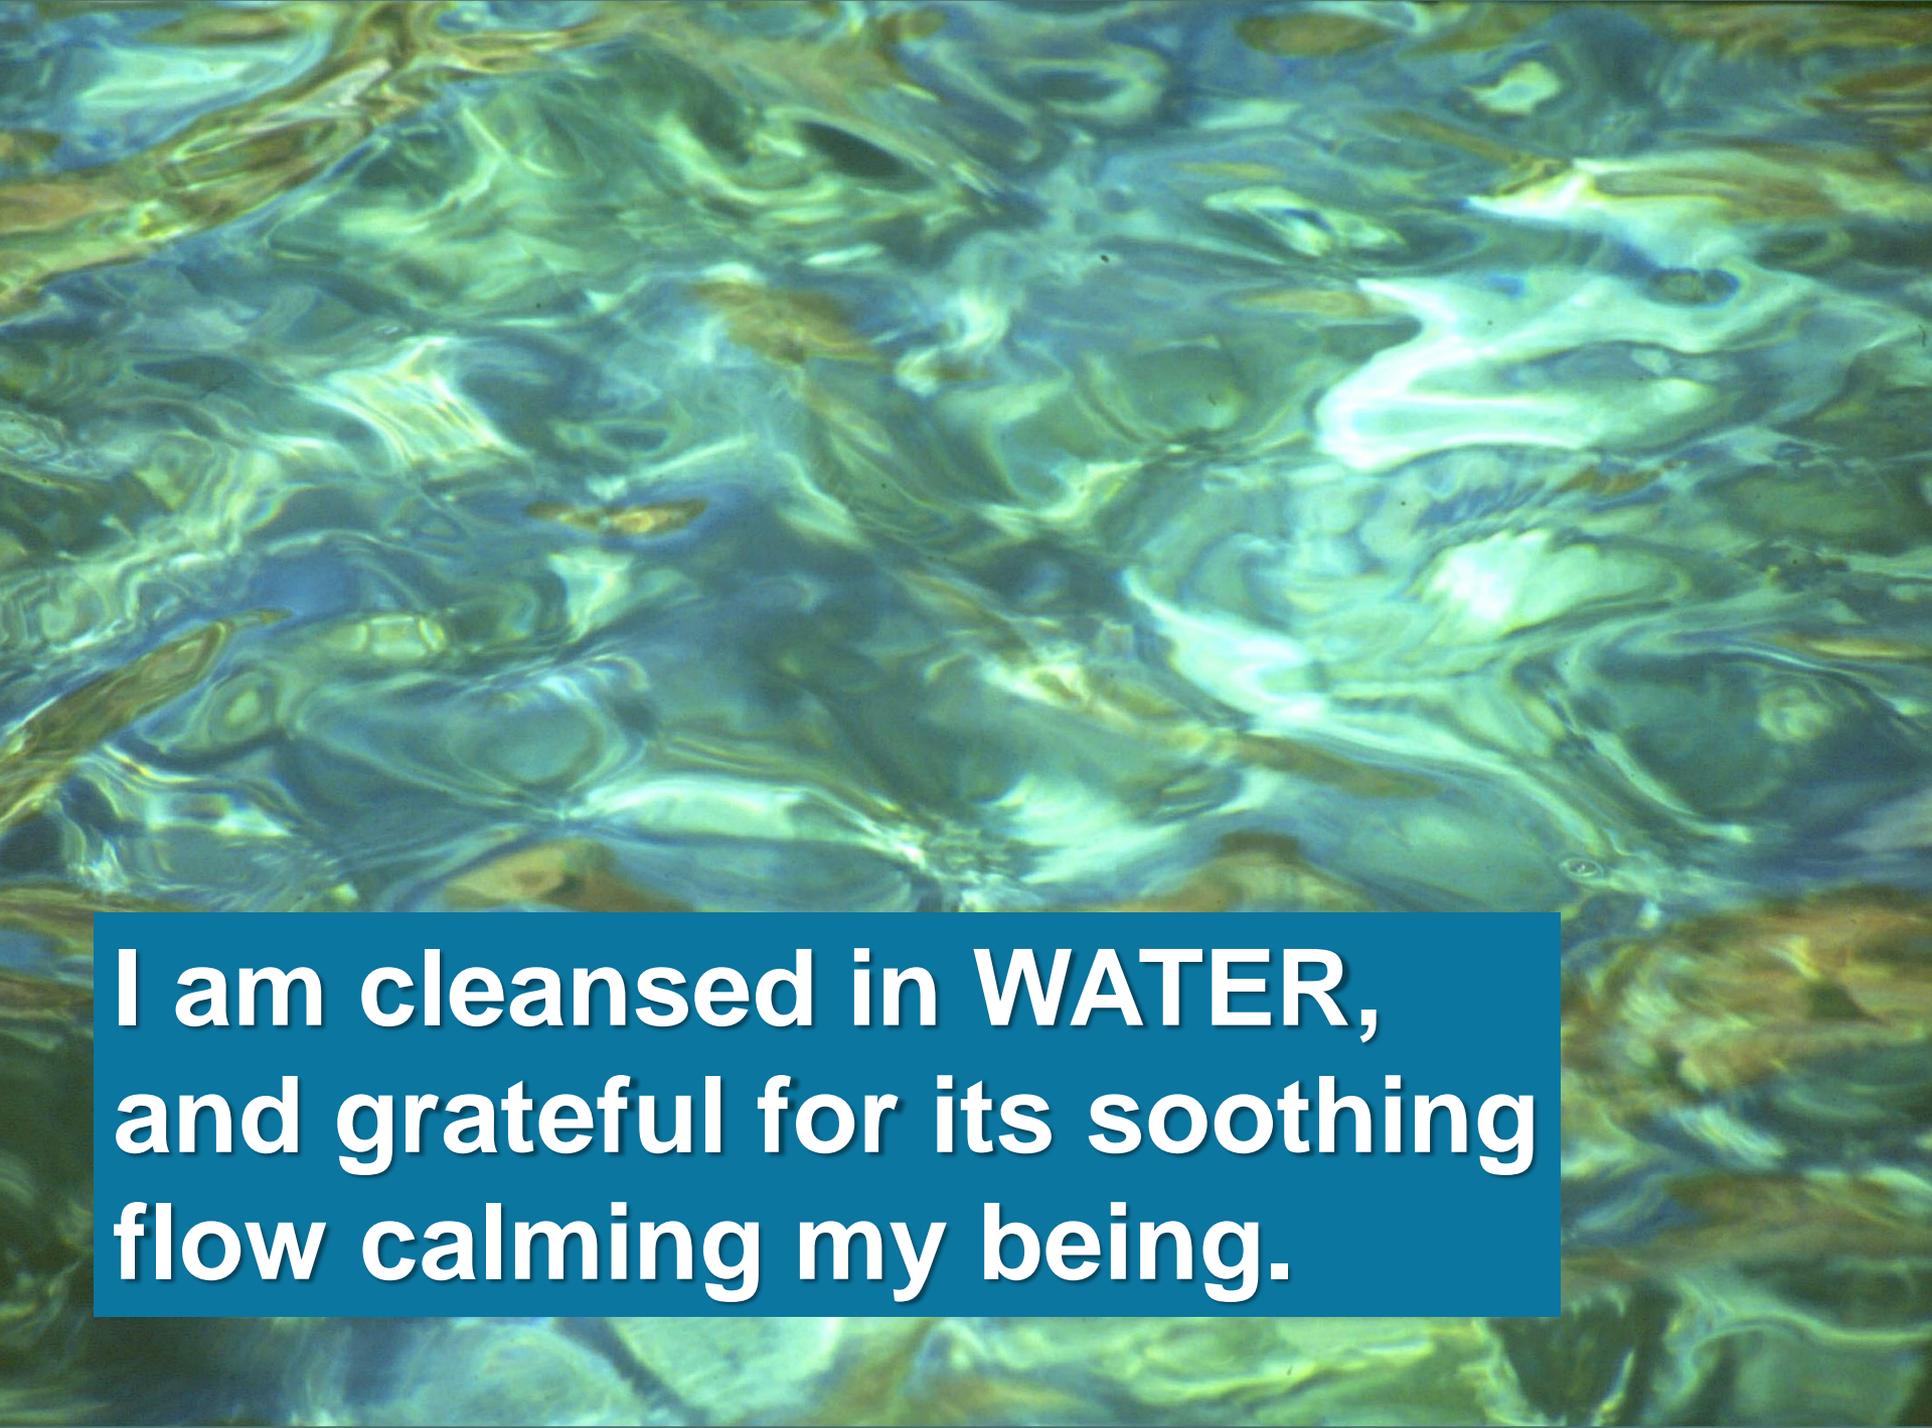

Fire, ignite my passion and courage.
I welcome transformation and step
boldly into the light of a new beginning.

**I am grounded in the
EARTH, and grateful for
its security and support.**

**I am cleansed in WATER,
and grateful for its soothing
flow calming my being.**

**I am cleared by the AIR,
and grateful for the
clarity of new direction.**

A close-up, low-angle shot of bright orange and yellow flames against a dark background. The flames are dynamic and flickering, with a central bright yellow core and outer orange and red edges. The background is dark, making the fire stand out prominently.

**I am illuminated by FIRE
and grateful for the
spark of new ideas.**

**The old year is released.
The new year begins.
I let there be peace in
my world. And so it is.**
