

Great Expectations

**You do not receive what you want...
or even what you pray for.
You receive what you expect.**

My Expectations

YOU SHOULD...

- ✓ Behave like I want you to
- ✓ Make me feel loved and valued
- ✓ Be at my beck and call
- ✓ Think like me, agree with me, do the things I like
- ✓ Think about my needs first
- ✓ Try harder to make me happy
- ✓ Know when I've earned something
- ✓ Consider my feelings before you decide
- ✓ Know when my feelings are hurt
- ✓ Reward me for my hard work
- ✓ Respect and appreciate me after all I've done for you

...ALL WITHOUT ME TELLING YOU.

**Who could be set free
while he imprisons anyone?
A jailer is not free for he is
bound together with his prisoner.**

A Course in Miracles

We sometimes think one thing and manifest another because the conscious thought of the moment has not yet worked itself into the subconscious phase of mind – it has not been felt or realized. Until thoughts become a part of the feeling nature, they do not produce results in our bodies and affairs.

Metaphysical Interpretation of “EXPECTATION” ...

**the anticipation of divine good.
Looking about for the wondrous benefits
God has prepared for us.
In every person is that which causes him
always to hope for and to expect
that which is good and true.
This very expectation helps
the good to become active.**

Charles Fillmore – *The Revealing Word*
