**WHAT IS MINE TO DO
TO LIVE OUR MISSION STATEMENT?**

The spark of the divine image is within, capable of unfolding the wonderful Christ qualities and carrying the potential of perfect mind, body and affairs. The spiritual Truth is that you are God's own beloved child and God is ever giving you His own wisdom, love, power, life, and substance.

Myrtle Fillmore – How To Let God Help You

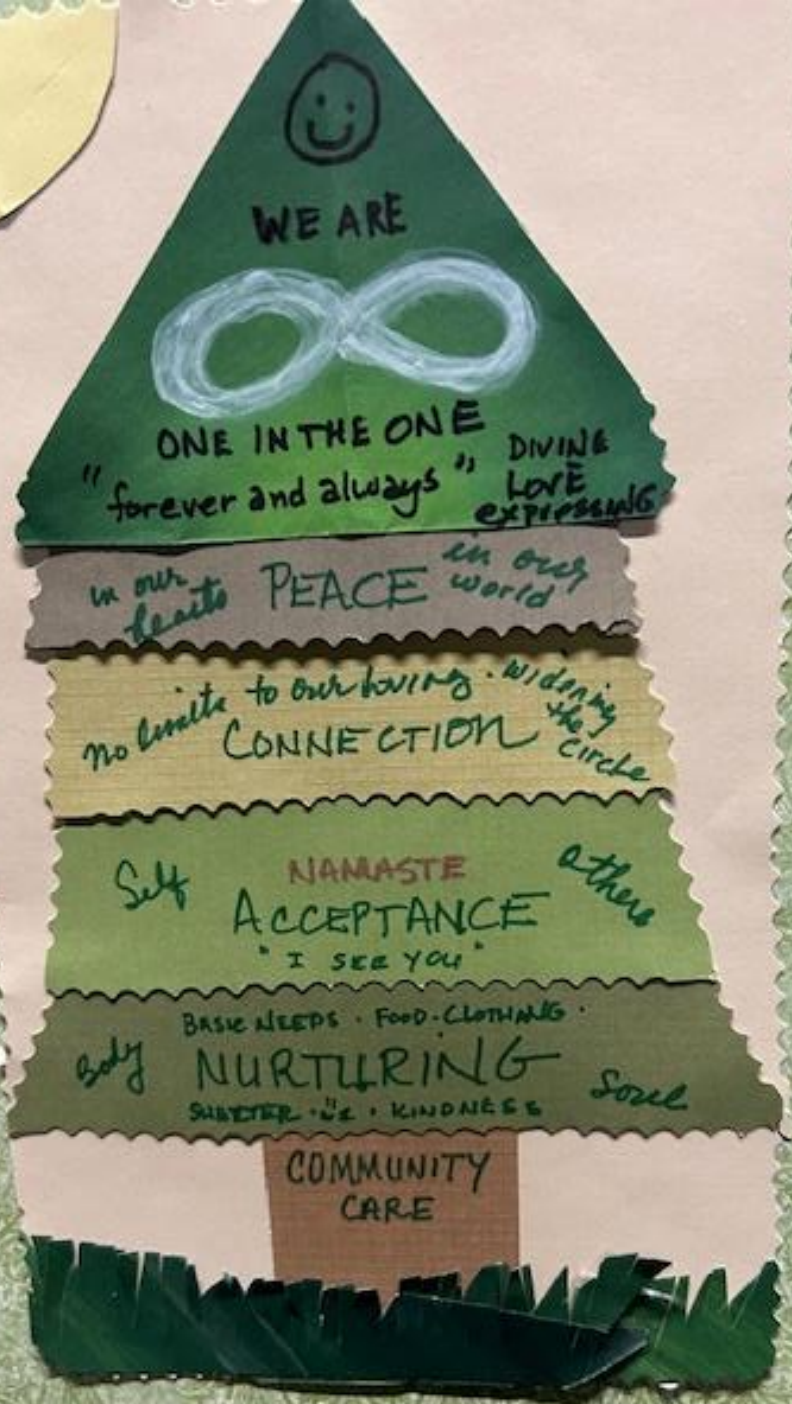

**Think of yourselves the way
Christ Jesus thought of himself.**

**Let the same mind be in you that
was in Christ Jesus.**

Phil. 2.5

**I shall be satisfied when I
awake with Your likeness.**

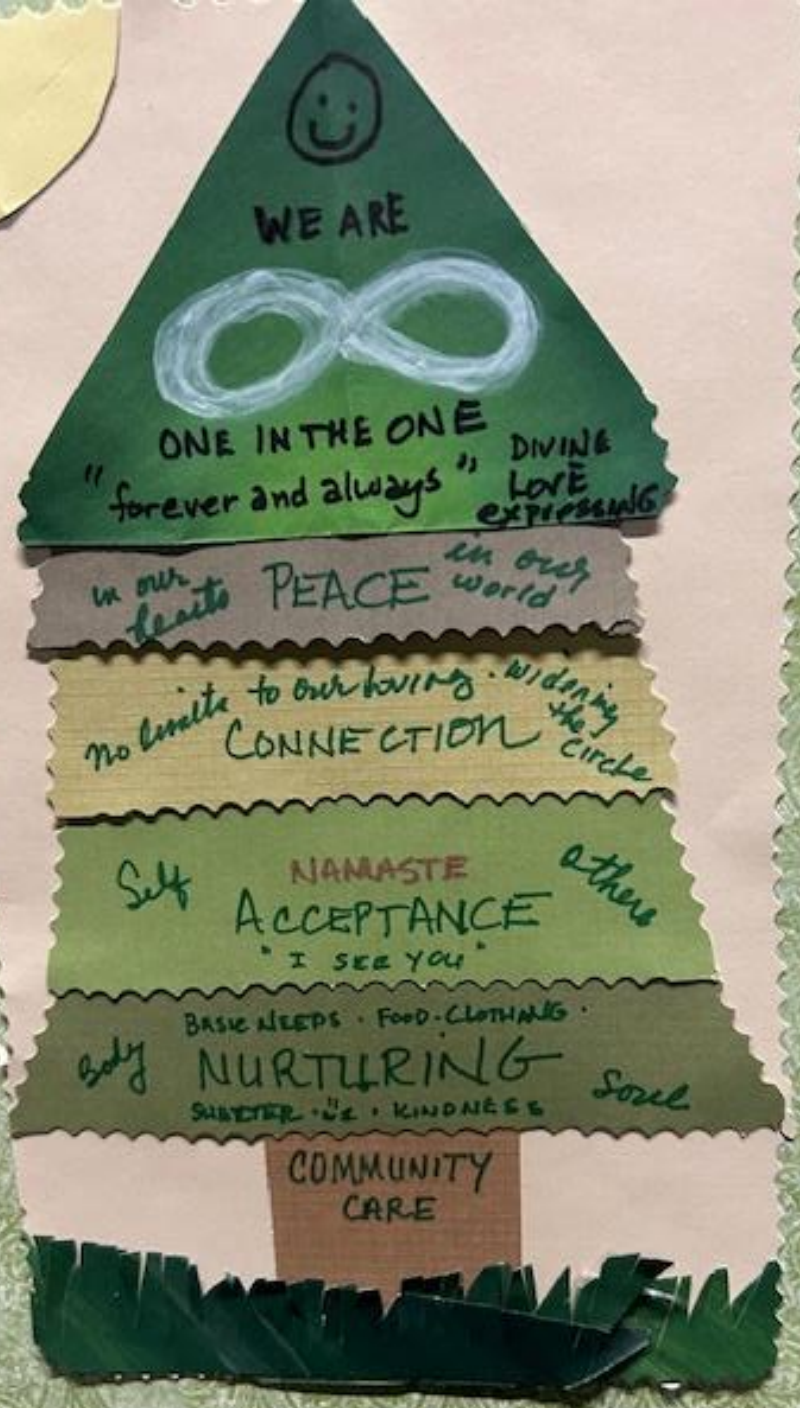

Ps. 17.15

Community Care

Think of all people as abiding in God's presence and expressing God's qualities. Then you will touch the reality of individuals and invite only the best from them. Though some have not yet wakened to this realization, as you declare the Truth for them and expect it to express through them toward you, you will receive only loving and considerate treatment from them.

COMMUNITY CARE

Community Care

I am one with my community and we share one heart.

As we think of others as God's children, we see them in a new light. We understand how it is that they are trying to unfold and use the faculties and powers God has implanted in them, and we have compassion if they seem to fall short at times. We also have power to know the Truth of them, to bless them, and to help them.

EVERYTHING MATTERS... PIECES OF A PUZZLE...

Everything Matters

Unity of Spirit conquers the world and Nations will forget to fight if we continue to know that all people express the one Life. When we find that there is only one Presence, the real Presence of infinite Goodness, we find no place for the opposite quality.
