**Every time we realize
the eternal life within,
knowing our oneness with Divine Mind,
the resurrection takes place in us.**

Charles Fillmore –Keep A True Lent

A vibrant green landscape with a path of purple flowers leading to a tree-lined road. The foreground is a lush green lawn with a narrow path of small purple flowers leading towards the background. In the background, a road is lined with large, mature trees with dense green foliage, creating a tunnel effect. The overall scene is bright and sunny.

**Don't go looking for your path.
Prepare yourself vibrationally
so it appears beneath your feet.**

Anything you can ever be, you already are. The greatness of the Infinite is already involved in you. Sleeping within you is a strong, capable, confident, dynamic person – the person you long to be. No matter what obstacle may beset you, there is a seed of potential within you of the giant-like man or woman who can conquer and overcome.
