

Connect the Dots to a ... *Miracle*

The root of the Hebrew word for peace, *shalom*, means “whole, complete, sound.” When we are connected to our wholeness, we become peace on earth.

Kelly Isola

In regard to miracles, it is good to remember that **higher levels of consciousness** generate **higher types of energies**. These higher types of energies can accomplish things on lower levels that can only be described as miraculous.

Unity Metaphysics I (Tan Book)

**The mind of the truly illumined
is calm because the peace of God
within all things is known,
even within the appearance
of misery and disease.**

Patanjali

**Peace is the result of retraining
your mind to process life as it is,
rather than as you think it should be.**

Wayne Dyer

Come to terms quickly with your **adversary** who is taking you to court or your adversary may hand you over to the judge, and the judge may hand you over to the officer, and you may be thrown into prison.

Matt. 5.25

There is a “seed of potential” in
consciousness behind all negative things
that happen. You must know that
**nothing can come into your life
except that it comes first through
your consciousness.**
Settle with it immediately.

Eric Butterworth

**Abundant peace belongs
to those who love Your law;
nothing makes them stumble.**

Ps. 119.165

**You will keep him in perfect peace
whose mind is stayed on You.**

Is. 26.3

Seek peace and pursue it.

Ps. 34.14

Seek Peace and Pursue It.

Who do I want to be now?

How do I want to live?

What good can I bring to this?

What can I do in this now moment?

What vision can I hold for the future?

How does Spirit want to express thru me?

What peaceful possibilities can I explore?

Those who plan peace have joy.
