Renewing the Mind

I let go.

Love has me.

**I allow the Universe to manage the details of my life
and everything is working together for my highest good.**

Wonderful things are happening in my life.

**I am open and receptive to hear the voice of Spirit
as It guides me to the next right thing to do.**

In the meantime...

ACCEPT & ALLOW IN THE
3rd Dimension

Love is the total and complete **acceptance** of what is. Love **allows**. Love is about **allowing** yourself to be who and what you are and **allowing** that same right to all others. **Accepting** and **allowing** are part of our evolutionary experience. The opposite of Love is disallowing and resisting. It's a form of judgment, assuming that others can affect your experience, but only you create your experience. **Allowing** and **accepting** leads to absolute freedom where you have more control of your reality and your experience. This is the key to enlightenment!
