Jesus living from the 5th Dimension

Sabbath was made for man, not man for the Sabbath.

Don't judge by appearance, but judge by what is right.

You have heard it said, "Love your neighbor and hate your enemy," but I tell you, love your enemies and pray for those who persecute you.

Let he who is without sin cast the first stone.

INTUITIVE IN THE

3rd Dimension

There is a wisdom of the heart; it is called intuition. It is very much surer guidance than the head. When one trusts Spirit and looks to it for understanding, a certain confidence in the invisible good develops in the soul. This faith awakens the so-called sixth sense, intuition or divine knowing.

Charles Fillmore – *Metaphysical Bible Dictionary*

Intuitive Journaling

What is this feeling trying to tell me?

Why am I so upset by this person?

What do I need to know about this situation?

How did I receive guidance from Spirit today?

INTUITIVE IN THE

3rd Dimension

People who live in unconditional love are not only in touch with their intuition, they live by it. Their inner wisdom is the light they see by, leading them to lives of true freedom.
