

Connect the Dots to a ... *Miracle*

God chose to make known this rich and glorious secret which he has for all people. And the secret is that Christ is in you which is your hope of Glory.

Col. 1.27

When facing sickness…
our miracle is in the presence of Life.

You are God's whole and perfect child,
aglow with God's light, life and wisdom.

I am a perfect, whole expression of God, filled with Divine Light, Life and Wisdom.

When facing conflict…

our miracle is in the presence of Love.

With Love, I allow all things to work together for the highest good of all involved.

When facing lack…

our miracle is in the presence of Substance.

By faith we understand that the worlds were prepared by the word of God, so that what is seen was made from things that are not visible.

Hebrews 11.3

You have the power of the Universe at your fingertips. The Universal Energy is all around you. It is in you. It is in your body, in the air you breathe, in every molecule…everywhere. We will harness this energy when we understand we are connected to all things.

Think in unlimited ways.

John L. Payne – *The Four Principles of Creation*

I’m grateful that God is my instant, constant, abundant Supply. There is always enough.

When facing confusion…
our miracle is in the presence of Wisdom.

I saw my illness was my own energy mani-festing as cancer because my fears weren't allowing me to express myself as the magnificent force I was meant to be. Our mind has questions that make us want to look good and be better than others. Our heart is only interested in feeling joy.

Anita Moorjani – *Dying to Be Me*

I trust my Spirit within
to guide me toward
my truest expression.

God’s presence within me
is the miracle I seek.
